The Fourth Dimension

Brother Cecil duCille
Schuyler, Nebraska - Conference
Saturday Evening, November 27th, 2004

Father, we submit our hearts and our ears to You. We pray, Lord God, that we might hear Your voice tonight, that You might quicken us with Your Spirit and that the words that are spoken will come directly from the throne of God. Oh, Lord God, anoint our hearts, anoint our ears, grant us strength to hear your Word and that the Word become flesh, hallelujah, become a part of us, that we won't be like people that just hear and hear and hear and never produce. But tonight, that the Word of God might form in us a new man, and that we might do that which the Word requires, in the name of Jesus. Amen! Hallelujah!

We sang of the Blood of Jesus Christ, and I just want to share a thought that came to me while we were singing this song, before I go into the Word. The scripture says in Isaiah 53:5, "By His stripes we are healed." I always wondered, "Why, Lord, 'by His stripes'? Didn't the Blood come from His side? Didn't the Blood come from the wounds in His head and hands? Didn't the Blood come from His feet? Why did the scripture say, 'By His stripes we are healed'?" Then I realized that God was saying that the first Blood that was drawn was by the stripes. It was that whip across His back that took the first Blood, and from the first drop of Blood that was shed, we were healed. Hallelujah! By the first drop of Blood, we were healed. It was just a thought that blessed me, and I wanted to pass it on to you. Hallelujah!

I hope what I want to talk about is not too high-faluting. I want to talk about the fourth dimension which God spoke about in the scriptures, where He wants us to be. Hallelujah. I don't think that we can get there by human effort, but I think we can get there by human effort. (Laughter) Amen. In other words, if we have the energy to submit to God, He'll take us there, but it takes a lot of energy. It takes a lot of overcoming. We were talking in Tulsa of the things that we have to overcome. The first and most desperate battle is to overcome that ancestral spirit that is in you, in your blood, part of you, part of your whole being. You are going to have to overcome your own being before you can get there, and to overcome, you have to suffer. It is peculiar, but you

have to suffer.

God came to Abraham and said, “Abraham, I want you to go up on a hill that I will show you, and I want you to offer your son, Isaac” (Genesis 22:1-19). Now, you think of it, a man is 90 years of age and he never had a child, and all of a sudden God gave him this child. God promised him that this boy would be the father of many nations. As the stars of the sky, so would his children be. Then one morning, God called to Abraham and said to kill Isaac. I don’t know what Abraham was thinking, but he was the father of the faithful. So, let us assume that he was thinking that God was going to bring him back again and he would be the Messiah. Let’s assume that, but then, Abraham knew his wife and that it was too much for a woman. It would be too much for any woman here. I would like the women to tell me who could take this. If you never had a child until you were over 80, this child was the promise of God, and then you see your husband take up a knife to stab him to death, what would you do? Would you take it? She couldn’t have taken it. Abraham knew that he couldn’t tell his wife. He said, “We are going to a hill that God will show us to offer a sacrifice. God wants us to do that,” and she said, “Okay.” She might have packed their lunch and everything and sent them off. Abraham had a man to help with the donkey. He had the boy, Isaac, with him, and he went to the spot. God showed them a hill. The amazing thing about that hill is that it is the place where the mosque of Omar is sitting, right over the stone upon which Abraham offered Isaac. At that time, of course, no city was there, and nobody lived there, and God said, “I want you to go to that hill, and offer him as a sacrifice.” So, he said to the boy, “Okay, take the wood,” and he put the wood on his shoulder. He took his knife, and both of them began to ascend the hill. So the boy said to Abraham, “Huh, that’s peculiar. We have wood, we have fire, but where is the lamb for the burnt offering?” God put it into Abraham to prophecy. He said, “God Himself will be the lamb.” Genesis 22:8, ***And Abraham said, My son, God will provide himself a lamb for a burnt offering: so they went both of them together.*** The boy didn’t understand, but he went along with him. They came to the spot and all of a sudden, Abraham took out his rope and he began to tie the boy, and because the type of the Lamb had to be correct, the boy didn’t fight him. I can imagine the fights that some of you young men would put up. If you saw your father going about to tie you, you would think, “He has gone loco, he has gone crazy, he is going to kill me,” and you would fight and run. No, sir. It says the boy was humbly there allowing himself to be tied. He lifted him up and put him on top of the wood that they had arranged on the stone. But all this time, the man

The Fourth Dimension

had a royal struggle in his heart. Consider yourself. What would you do? You would think, “Suppose it was the devil who talked to me? No, no, no! That was the voice of God.” Do you know how you know the voice of God is different from the voice of the devil? When the devil talks to you, you are disturbed. When God talks to you, there is an absolute peace. You know it is God. There was no doubt; Abraham never doubted that it was God who talked to him. Abraham was struggling in himself, though. “To kill my son! To kill my son! I’ll never live over this. I’ll never get over it, to kill my son.” He decided, **GOD’S WILL BE DONE**. In his heart, he made up his mind. He took the knife, he went to strike the boy, and the angel stopped him. What blesses me is the Word that God spoke when He stopped Abraham (Genesis 22:12). He said, “Now I know you, Abraham.”

**HE WENT UP ANOTHER DIMENSION,
AND HE WOULD NOT COME BACK
DOWN FROM THAT DIMENSION FOR
THE REST OF HIS LIFE.**

How could God not know the man before? Why would God say that He now knew him? Do you know why? Because the Abraham that walked up the mountain was not the same Abraham that came down the mountain. He had a change in him. **He became what God wanted him to become. HE WENT UP ANOTHER DIMENSION**, and he would not come back down from that dimension for the rest of his life, because he now knew God, and God called him His friend. Yes, God said Abraham was His friend. Now that is the greatest designation that a human being could ever receive from God – that the Almighty God would say, “You are My friend.” So Abraham was made, created that day. Amen! Hallelujah! Amen.

I had a problem in my life. We grew up in the west end of Kingston, seven of us boys, and we would fight. We just had WAR in our blood. It was a happy time to be fighting on the street or somewhere else. If we didn’t have a fight for a long time, we would play-fight, and just fight as rough as anything else, but it was something in us that we knew nothing about, we didn’t know how it got there, but it was an ancestral spirit. Hallelujah! The ancestral spirits come from your background. It might have been in Africa, or in France, but originally it came from the Adamic nature. So, all of us have this Adamic nature, whether it be for one way or another, but our portion was to fight. Hallelujah!

Now, when I got saved, I thought that all of this was over. I

mean, I shouted, I danced, I was so happy, amen, and my brother and I, we would sing together and dance all over the platform. The Church of God people, they took us for granted. However, the truth is that I thought that I had lost all of the ancestral spirits that had plagued my life. Amen? I mean, something was in my life, God was hounding me as a young man, following me, saving me. Yes! I was saved out of positions that had destroyed many others. I was in a position where I held down a man to kill him and when I was coming down with the blow, I said, "Well, God, if You can save, save now!" Immediately I was translated from that spot to a quarter mile down the street. I stood down the street and I saw the man on the ground, looking around, and he couldn't find me. The blow that he expected to take his life wasn't there, and I was down the street and I knew it was God. **I knew God that day!**

There was a great anger within me. Sometimes this anger would take me for a week straight, maybe two weeks that I couldn't get myself back to normal. I would be just gasping, sometimes. I couldn't help myself. A spirit had inhabited me and he wouldn't let go. Sometimes, for a whole week I couldn't get free from this anger. When the Spirit lifted me and landed me down the street, I was immediately sober. No anger, I had lost the anger at that time. So, I got to know God and when I got saved, I thought that I was free then, and it was joy unspeakable. I mean, I danced, I shouted, I was so happy. Amen.

But one day, I was in my office, and as I did sometimes to stretch my legs, I walked down to the stable. I was an accountant at the government farm. I walked down to the stable and I saw two men fighting. One was taking advantage of the other. BAM! He knocked him down. He picked him up and - HHHHwwwoooMMM - he knocked him down again. I couldn't stay there. I couldn't take it, so I rushed in between the two men and I held one, the man who was beating the other. I said, "Are you going to kill him?" He said, "Yes, I want to kill him." You know, that is the anger that he had. But something out of the man jumped on me. All of a sudden, I was transported back to the street and it was like a street fight. Remember, I had nothing against him. I was not angry at anybody. I was a peacemaker, but the man began to resist me, to get to kill the other man. The more he resisted, the more I had to exert strength to hold him. All of a sudden something went "click" in me. So I slipped on my knee like that, and when he charged me, I got him over my shoulder, and I ran with him. I was running with this man and I was saying to myself... Remember now, I am an officer of the government. A worker cannot fight an officer, or else he will be immediately arrested and never be allowed to hold any government office again. In other words, he

The Fourth Dimension

should have obeyed me when I told him to stop. But I was running with this man on my shoulder, and I was saying to myself, “I’m going to just put him down gently and lecture him.” Right? So I ran to the wall. Now, I don’t know if you people around here know what we called a “dry wall.” In other words, a wall that is just packed with stones, there is no cement in it, it is just packed with stones to about three feet high. So, I was going to put him down on the wall and lecture him, you know, put him in order. But when I got to the wall, I found myself SLAMMING the man down on the wall and the wall scattered, and the man was dazed. I said, “Why did I do that?” Now, I was in a temper. I was gasping and mad and I had to run. I ran back to my office. I said, “My God, I thought You had taken this thing away from me. I thought I was free. Now I am in trouble, I am not free. I’m going to lose my ministry, because here I am ministering to all these people and having miracles. And then, I smash the man on the wall.” So, I was in trouble. I stopped eating and began to fast. I said, “God, I prefer to die than to live with this thing.” **Amen!** “I must overcome this ancestral spirit NOW, *or else I will die.* I will not eat.” I don’t remember how long it went on, but I didn’t know whether I was delivered or not.

So, one day I was in the office. I had been promoted by now, and sent to a new office and I had others working with me. So, this young man came in and they said, “Well, this man is going to be your assistant and so on.” To cut a long story short, the guy was sitting down across the desk. My desk was here, and his desk was over there. I said, “Billy, unless you do better, I don’t know how I can work with you, because everything you do, I have to do it over. You don’t set one figure right. You just have everything wrong. You’ve not been paying enough attention.” After I spoke to him, I was just there writing, and suddenly *I saw a fist coming up to my face.* I jumped backwards and the chair flew out from under me. The man was at me – right – left – right – left! And I was praying, saying, “My God, help me now! Don’t let me hit him!” My arms sometimes jumped, you know. The devil was there, showing me every mistake the man made. He lifted up his hand to strike like this, and the devil said, “Get him!” And I said, “No, Lord. I don’t think I could live if I should beat up that man.” It continued, it looked like an age, a long time, but it may have been just a few minutes. Finally, I got against the wall, and the man threw a left cross like this! It caught me here, on the right side of my chest, and it cut the skin on my chest from right to left. I tensed my muscles and the man rolled off and fell against the wall. He got up and went to his seat. Brethren, I felt a bubbling coming up and I started to laugh. It was the first time in my life I was

ever able to refuse a fight. **GOD GAVE ME THE VICTORY! THAT DAY THE DELIVERANCE CAME!** I went a notch higher. **THAT DAY!** From that day to this day, I have never taken these hands and hit anybody. Neither have I had the inclination. Remember, you know, I was a fighter. I was fighting. Every day, before I was saved, I had to have some scrap to keep myself in practice. This day was the first in my life, and **GOD DELIVERED ME!** I know how Abraham felt.

It seems to me that you have to pay a price in order to overcome that thing that your parents gave you. It might not have been anger. It might be another spirit. Maybe it is lusting. Amen. I heard Brother Campbell this morning mention about pornography. Some of the young people are addicted to pornography. It is a **SPIRIT**. It is a spirit of the devil that would cause someone to want to look at a picture of a naked person, and get a thrill out of looking at a picture. Huh? Get a thrill out of looking at a picture! I tell you, brethren, young people, young and old

IF PORNOGRAPHY HAS ANY POWER OVER YOUR LIFE, YOU ARE A LOSER. YOU CANNOT BE AN OVERCOMER WITH A PORNOGRAPHIC PROBLEM!

alike, I wouldn't live with that spirit for one day. I would rather die than to know that a spirit like that is controlling my life because these spirits have a design to destroy you. You cannot... I heard Brother Denver. I heard him. Did you hear it?

AMEN! He said **HE WILL NOT BE A LOSER!** If pornography has any power over your life, **you are a LOSER.** You cannot be an overcomer with a pornographic problem! **You have to GET RID OF IT!** Amen.

Let us read the Word. Turn to Ephesians for me. We start at chapter 3. Let's read a few verses of the context so that we can understand the whole thing. Ephesians 3:9, *And to make all men see what is the fellowship of the mystery, which from the beginning of the world hath been hid in God, who created all things by Jesus Christ: ¹⁰To the intent that now unto the principalities and powers in heavenly places might be known by the church the manifold wisdom of God.* What is he talking about? He said that some of the devils who fell from heaven, and who created human devils, that they have not been conquered. Amen. They have not been conquered and that the principalities and the powers are going to be taught by you, the Church, the manifold wisdom of God. **AMEN!** Satan does not believe it. He looks at us and he scorns us, "Look at you, you little nothing. You piece of earth. You who are so

The Fourth Dimension

subject to carnality and to the filth and the mire of the world. You can't beat me. I am a mighty, proud, wonderful angel." Right. This is what God is doing! God is humiliating Satan by you. God is doing it in a way that He is not going to do it, **you have to do it!** He puts the tools before you. He said, "All power is given to me in heaven and in earth" (Matthew 28:18). He said, "You go and preach the gospel, don't be afraid of preaching the Gospel, because I," saith the Lord God, "I have all power and I give you the authority to preach the gospel. If you have to go into hell, go into hell and preach the gospel. **No man can touch you unless your God agrees with it!**" And if He agrees with it, it is good, let them do it. Amen. So, he said to the principalities - this is a great mystery - to the princes and the palities and the rulers of the darkness of this world (Ephesians 3:10, 6:12)! AMEN? I remember Frank, he

NO MAN CAN TOUCH YOU UNLESS
YOUR GOD AGREES WITH IT!

loved to say "*cosmokratoros*" (Strong's Concordance #G2888 for *rulers* in Ephesians 6:12). Yes, the *cosmokratoros*, the world powers. AMEN. He said, "To all you world powers, I will TEACH YOU SENSE, BY THE CHURCH!" Hhhmmm? **BY THE CHURCH!**

So then, when Moses and Elijah, who were part of the Church, but knew that something else would have to happen besides the powers that they had, came to Jesus on the mount of transfiguration, and said, "Tell us about this death, this burial, and this resurrection! What is it going to do for us?" Hallelujah! Amen! I think Jesus told them a little, but He said to them, "YOU listen to the Church! Because God ordained that the people of the New Testament church should overcome all things." Look at us! We are just poor, wretched people. Not better than anybody else, but we have tools that no people on earth ever had. God says that in the end of time He will give us a tool named Michael, the archangel. He said He will give us Michael as a tool, that when we call for the impossible to be done, it will be done by Almighty God. He will send the mighty angel to break up the rocks, and to rend, and to deliver us.

You must believe God. We must become believers. I just pray that tonight when we get out of here that we will have something NEW in us that was **NEVER THERE BEFORE!** Amen!

I believe that God's program is hastening on. Hastening on! God is holding back the devil, all right. Do you know why He is holding back the atomic weapons and the terrorists can't get them to put in our cities? Do you know why? Because He wants you to be ready! HE IS

GIVING US TIME! He is giving us time to be ready! Our hearts should cry out to God and say, "God, we shall not be denied. **We shall not be denied!** We will be ready, because You speak the Word and we will be ready, because we desire it." He says whatever you desire, ask and it shall be done. Just ask and it shall be done!

And so we find... We are going to read a bit further here now. Hear this. To the principalities and powers, the CHURCH is going to preach. Ephesians 3:11, ***According to the eternal purpose which he purposed in Christ Jesus our Lord:*** God made a purpose, and that purpose is in Christ Jesus our Lord, that we should be like Jesus at a certain time! Amen, and that we are going to be like Jesus together. It's not going to be the one over here and the big me and the small you. No, no. We are coming together. The harvest is going to be reaped together, so that, as a mighty force, we will be able to move through the world! The only thing, do you know what is wrong? That God's time is waiting on us, but if we should get the message tonight and begin to move in the things of God, God will begin to lift us. Amen, and the lift that you get, it will cause others to be lifted. Don't you understand? Amen. It is rapture time. Ha! It is rapture time. God is rapturing the Church, bringing them up closer into the heavenlies. I am talking about *metamorphoo* (Strong's Concordance #G3339 – to transform). You see? He showed us all of this, because He was here and we could see Him walking higher than everybody else.

Now hear this. Ephesians 3:12, ***In whom we have...*** In Christ, in Whom - we are talking about Christ Jesus, *Yehoshua Mashiyach* (Strong's Concordance #s G3091 and G4899). Verse 12, ***In whom we have boldness and access with confidence by the faith of him.*** Do you hear the Word he used? ACCESS. Access to what? Access to the things that He has prepared for you. Amen. Do you want to have access to it? All you have to do is to take it. You take it by believing, and you believe by His faith, not by your faith. He said, ***by the faith of him.***

Verse 13, ***Wherefore*** (because of all this) ***I desire that ye faint not at my tribulations for you, which is your glory.*** Okay, do we suffer for one another? Do we suffer for the Church? Is it good doctrine to believe that some of the sufferings that we undergo are for somebody else besides ourselves? It is! It is, because through one man's suffering, he himself will get knowledge and strength to help others. So, we suffer for one another. When God calls a ministry, God calls a ministry to suffer for the people. Amen. The ministry, He says, is bringing you into a place where you will be priests and kings. A priest is one who stands between God and the people. Right? And a king is one who will reign

The Fourth Dimension

and rule. Well, we will reign and rule with Him to be part of that priestly person, and in that dimension you must suffer. So don't count it as some great thing that is coming against you when you suffer, because when you suffer for Christ's sake, you gain height in God.

Now, he is coming down to the true thing that he wants to say. Ephesians 3:13, *Wherefore I desire that ye faint not at my tribulations for you, which is your glory.* ¹⁴*For this cause I bow my knees unto the Father of our Lord Jesus Christ,* ¹⁵*Of whom the whole family in heaven*

SO DON'T COUNT IT
AS SOME GREAT THING
THAT IS COMING
AGAINST YOU WHEN
YOU SUFFER, BECAUSE
WHEN YOU SUFFER
FOR CHRIST'S SAKE,
YOU GAIN HEIGHT
IN GOD.

and earth is named, ¹⁶*That he would grant you, according to the riches of his glory, to be strengthened with might by his Spirit in the inner man;* You see, the problem is inside. Whenever you find yourself behaving like somebody else that you knew, or somebody that you didn't know, then stop and say, "My God, deliver me from this ancestral spirit." Amen. Verse 17, *That Christ may dwell in your hearts by faith; that ye, being rooted and grounded in love,* ¹⁸*May be able to comprehend* (that is, to

understand spiritually) *with all saints what is the breadth, and length, and depth, and height;* In the natural we only have three dimensions. If you can only get length, breadth and depth, where does the height come from? You only have three dimensions in the natural, so what is going on? The only way that you see a fourth dimension is in the Spirit. I won't draw it, but I'm going to ask you to imagine it. Imagine me drawing a big circle here, and this big circle is the Father. Another circle inside of that circle is Christ. Another circle inside that circle is the Body of Christ. We are in Christ and Christ is in the Father, but the Father gave another dimension. He said that I am in you and you are in Me. So that means that the Father is everywhere. See, the Father is around Jesus, that's Jesus in the Father and the Father is in Jesus. So, Jesus is surrounded by the Father and the Father is in Him. Amen? So, we find that there is that fourth dimension that God says that you will comprehend with all the saints what is the length, the breadth, the depth, and the height. Now, put yourself in the inner circle. Now you are in Christ. If you go deeper in Christ, what happens? You will start to rise in the Father. The deeper you get into Jesus Christ, the more that you

will discover the Father and the higher that you will rise in the Father and that is why you have depth and height. In other words, if the Father surrounds Jesus, and you come out of Jesus, you are in the Father. If you rise in Jesus, you are in the Father. If you go down deeper in Jesus, you go higher in the Father. What God is trying to tell us is that there is a dimension IN CHRIST that puts you IN THE FATHER.

Now, when you are in Christ, you do not do what you want to do anymore. But you only do what Christ wants you to do. Then you say, "How do I get that?" Seek it! You seek it. In other words, there is someone who wants you to do something and you don't just jump and get doing it, but you ask the Lord. You pray, and unless you get a Word from the Lord, you don't move. So, then, God will test you. Amen. God tested Saul, and what happened to Saul? The prophet told Saul, "Wait for me here at Carmel. I'm coming to offer a sacrifice." So God delayed the prophet. So there was Saul, tromping up and down, "Where is he? Why is he not here? Doesn't he know that I am the King? Shouldn't he be here, according to our plan?" He went on and on and on, until he offered the sacrifice. The moment Saul offered the sacrifice, Samuel

NOW, WHEN YOU ARE IN CHRIST, YOU DO NOT DO
WHAT YOU WANT TO DO ANYMORE. BUT YOU ONLY
DO WHAT CHRIST WANTS YOU TO DO.

came. God timed it, and let Samuel delay, and delay, and delay and Saul failed.

Now God is going to do the same with you. God is going to watch you to see if you are going to seek His face before you do what you want to do. We are being asked by God to submit to the Spirit of Christ. Amen. Submit to the Spirit of Christ. Don't move on your own. He is bringing us into a new dimension, and this is also the dimension of the overcomer.

What do you have to overcome? You will be shocked to know. You have to overcome the church system, the Babylonish system. It is in you. It is part of you. It is part of every carnal man. You will feel like moving like the church now moves. It is part of every carnal person. God Almighty wants you to overcome that piece of carnality. Overcome Babylon. But then, for some of us, these are only words. We leave here, and we go out and we operate, and all of a sudden we forget everything that we learned here, and we start going on. May GOD ALMIGHTY

The Fourth Dimension

remind you whenever you begin to move like a Babylonian because the spirits of Babylon will cause you to do things that are contrary to God. You will think that you are doing right but the more that you go into it, and the more you continue into it, the worse it gets. Amen. You get so deaf and so blind that you cannot hear God, and if God spoke to you, you would say that it was the devil and if the devil spoke to you, you would say it was God.

I have told you the story of how I went into a meeting of proph-

ets, and this great prophet got up and just began to curse me. He had never seen me in his life, and he just started cursing me. He started telling them, "This man, duCille, he does not know anything about God. He has picked up some old, old teachings somewhere, and then he has come to pawn them off on the people of God. Don't listen to him, none of you listen to him." All of the men there, except maybe three men, agreed with him. Remember, none of them knew me, except the person who I went with. None of them knew me. And he started to curse me. I said to God, "Why is

YOU GET SO DEAF
AND SO BLIND THAT
YOU CANNOT HEAR
GOD, AND IF GOD
SPOKE TO YOU, YOU
WOULD SAY THAT IT
WAS THE DEVIL AND IF
THE DEVIL SPOKE TO
YOU, YOU WOULD SAY
IT WAS GOD.

this man cursing me?" I realized that the spirit that was in the man was not of God. Remember now, he got up and he put his hand upon his chest and he said, "I am a prophet of the Lord." That is how he started his speech. After he introduced himself as a prophet of the Lord, he began to curse duCille. Well, other men there submitted to him. One particular man whom I knew quite well, he joined the rest of them and he began to curse me. I sat down there through the whole meeting, and we went for lunch, and I came back and sat down. One man got up and said, "But I thought Brother duCille would have left. I don't know, for the way he was treated, I thought he would have left." I said, "No." (Chuckle) The reason is that he was cursing me so that I might leave. It was a spirit that wanted me to leave there. I decided to sit down on top of that spirit, so I never left.

Then I began to look at the Word of God. God told me that about the year 2000, there would be great destruction in the church. As a matter of a fact, He showed me that it would be destroyed altogether.

Babylon. I call it Babylon, because it is a mixture of God and the devil. It doesn't mean that somebody in there doesn't belong to God, because there are slaves in Babylon. It so happened that this destruction, this explosion occurred and we never saw it. We never understood it. We didn't understand it. But what it was, was that the church was destroyed. The church had fully turned over to Satan. We have families there, but the church had completely turned over to Satan. I'll tell you what was the sign of it. The sign of it was the "Toronto Blessing." That was the sign of it. People flattening on the floor means that they are taken by an evil spirit. When that starts happening, you cast the spirit out. Now, you remember with Jesus, when Jesus was called to cast the devil out of this boy, that the spirit threw him to the floor and tore him (Mark 9:17-29)? Jesus said, "Come out of him." Well, this is the thing that happened around that time. In the year 2000, this thing was completed.

But then we had a space of supernatural functions. Men rose up and they were prophesying, and there were prophets. There were great prophets, there were three men that became the great prophets of the United States and of the world, three or four of them. One was John Wimber, the head of the Vineyard church. He could call you out and tell you what you were thinking and tell you about yesterday and tell you about your house, and so and so, but that wasn't necessarily God. So these things happened, and God showed me the destruction of the church. Well, it was undercover.

Some days ago, I began to hear some things. It has come out in the Los Angeles Times that so many of the church men are in homosexuality, so many are in pornography, and so many are in sin. It is amazing that the foundations of all of that big thing that you see going on all over the world is all exposed, but it didn't happen yesterday. It happened way back there, many years ago and we were all blind to it. Amen.

Now, I am saying that what God is saying is that we, who used to submit to that thing, must realize that we were submitting to a spirit of divination. Yes. There needs to be repentance before you can overcome that spirit. That spirit has been fed to you, that spirit has been ministered to us. Remember, the Lord said, "The words that I speak unto you, they are spirit and they are life" (John 6:63). Every one of those spirits that have been ministered to the people of God have to be rejected by each of us. You have to reject Babylon and all that it stands for. Somebody says, "But my church is a nice church. I have a lovely pastor." If you have a lovely pastor, go and repent of that lovely pastor because, as a pastor, he is going against God. He is anti-christ. He is taking the place in your life where Christ should be. For that, you can remember the story that

The Fourth Dimension

Brother Campbell told you about the “bird woman.” Amen. Yes! “Pray for me. Pray for my bird. Pray for my dog.”

I saw where they have sunken so deep that they had a dog on television, saying that the dog was saved. BLASPHEMY! He said the dog was filled with the Holy Ghost! Oh, yes! He had the dog making some sounds there like he was talking in tongues. (Laughter) They have all fallen. It is a fallen system. It is a fallen system that we are in. COME OUT! FLEE FROM AMONG THEM! FLEE FROM AMONG THEM!

When Abraham reasoned with Christ and said, “If there are ten righteous people, would You save Sodom and Gomorrah, and the city of the plains?” God said, “If there were ten, I would save them” (Genesis 18:32). Amen. They are not going to be saved. The time is very short when fire will judge them, just like the fire in Sodom and Gomorrah (Genesis 19:24). It is only fire that God will use. Whenever there is homosexuality, His judgment of fire is used.

Let me tell you something about homosexuality. It is not an ordinary sin. They are saying that if homosexuality is a sin, then all of you are sinners. Haven’t you sinned? Didn’t you sin at one time? Therefore we are together... NO, NO, NO! This sin is inside of the body, and it changes the body. When that spirit comes into a man, the man becomes effeminate. I have seen men begin to grow breasts. I have seen them with their hips growing out like women. I have seen them when their voices change. Yes. It is not really humorous. It is a horrible thing to see a demon spirit take hold of a man, and change his voice.

I had a man to deal with. We were very close, and he began to change. When I saw the change coming over him, I said, “Maybe you should try to get a girlfriend. Get a girlfriend and see if you can save yourself from this thing.” We agreed that he should get a girlfriend, so we went and talked to this young lady. He was a fine looking young man, so she was interested in him and so on and so forth. Then he held her hand one day, you know. He came back to me and he said, “Man, it was a horrible time.” He said that when he held her hand, he felt like he was holding on to a snake and he said it sent cold chills through his body just to hold her hand. Yes, his whole metabolism seemed to have changed. The spirit took over his body. It is like when Christ comes into the temple, Christ changes the temple, Christ changes the desires, Christ changes your way of thinking, Christ changes your way of operating. So, when the devil comes in and takes a hold of the temple, he takes a hold of the mind, he takes a hold of the emotions. The man’s emotions were so twisted that when he held a lady’s hand, he felt like he held a

snake. Then he came back and he was explaining to me this awful thing. Finally, the devil intervened when I was encouraging him and pressing him on and saying, "You go hold her hand again and, you know, you will overcome this thing." He was trying his best, so he decided to write her a letter. He wrote her to tell her how much he loved her, how much he would love to have her as his wife and all that sort of thing. Then he wrote his sister and told her, "I don't care about that girl at all. You don't have to worry about that girl and me. I don't care about her. She is just nothing and so and so." So he took the letter for his sister and put it in the girlfriend's envelope and put the letter for his girlfriend into his sister's envelope and mailed them. That broke the whole thing. I couldn't hold him any longer. He just ran off and became a full-fledged homosexual.

Can a homosexual be changed? Yes. Jesus Christ is able to change anyone. There is a lie that they are telling each other and a lie that they have sold to the scientists and a lie that I heard repeated in the past election. They asked President Bush a question and he couldn't answer it straight because if he said anything against that lie, they would say that he is uneducated and he is a dummy and whatever else, so he couldn't answer it straight. The question was about the homosexuals, that God made them homosexuals, and they can't do better, so we have to give them a certain amount of latitude. It is a lie. God never made a devil! God never made a homosexual! You had better take that and make sure that you know it. God never made anybody a homosexual! God never made anybody a devil!

So, you have to overcome the world. You have to overcome the world. Do you know why I am speaking like this? The day will come when I will preach what I am preaching here, and they will come in and arrest me for discrimination and bigotry. And the only way to go, brethren, is to be arrested. You are not going to agree with them. You are overcoming the world, and all it's wickedness. But they are making laws, and the homosexuals are pushing these laws. That is the reason why you could not vote for a political party that agrees with this position and be guiltless. All those of you who voted for homosexuality, voted for murdering of babies, voted for stem-cell, which is the murdering of human fetuses to produce a cure for somebody else, all those of us who voted for that must go home tonight and ask God for forgiveness, for God is able to forgive you. Without that, you will not have overcome anything. All of those who don't agree with me (about this) must also repent. (Laughter) Well, praise God. Praise God.

Yes, we have to overcome the world. Remember, we are talking about the FOURTH DIMENSION, or what we call the new creation

The Fourth Dimension

man. It is not impossible to get to the place where nothing bothers you. I asked God one day, “Lord, then how can I beat the devil at his work? How can I overcome the devil?” He said, “Want nothing.” That is simple. If you don’t want anything, if you don’t have a desire, the devil cannot tempt you with anything. The devil tempts you when you are drawn away by your lusts. When you desire something, when you want something, that is how the devil tempts you. So, God is speaking to us. He is speaking to a people as I have never heard Him speak to a people before. All the ministry that God is giving to you, God is not giving you the ministry for yourselves. It is not for you. It is for the Body. The ministry is expendable, but the Body is eternal. Hallelujah! Amen. In other words, God is saying to us, “Take the Word of God and put it into your heart, into your mind first. Then you ruminate, you chew again and you put it down further and it gets down into your heart, so that it becomes a part of you, so that you begin to live the Word, so that whenever you are going to touch anything, a Word would come to you. So that you know where you are right, from where you are wrong.” Remember that the scripture said that they *May be able to comprehend with all saints what is the breadth, and length, and depth, and height* (Ephesians 3:18). Amen. You must come to that fourth dimension, or you will not be an overcomer. You will not be a part of that company. Do you understand, brethren? We could just start a new sheet tonight, and say, “Lord God, I want to be like Jesus.” Yes!

Question: Are you saying that in order to get to the fourth dimension, you will have to go through suffering and that obeying the Spirit would probably cause suffering in your life? If you are trying to overcome, you will suffer in your overcoming?

Answer: Yes, definitely!

Question: Okay. That’s going to the fourth dimension. Then you said, “Desire nothing.” Now, do you mean not to desire material things? How comprehensive is that?

Answer: You have one great desire and the desire is to be like Jesus Christ.

Question: Right, but I’m talking about your desire for your kids. Worldly things. Because there are certain things that you do desire for your children.

Answer: You desire that your children be like Jesus.

Question: Right.

Answer: Start changing all of your desires. Look here! You don’t have time to make your children doctors and lawyers unless they are far on the way and they have just the last semester or two.

Question: No, I'm not talking about that. You want your children to behave in a certain way, it becomes a desire, and of course, there are a lot of times that the enemy works against you, and it becomes a contention. And I think, sometimes, you can fall into sin, because it can cause you to get into contention about the things that you desire for your children.

Answer: But I'm telling you, whatever you desire for your children, you have no power to make them do it, to make them be what you desire. The only power you have is with God. You have what we call a divine strength, called Blood covenant. You have a Blood covenant with those people and you go down to God and say, "God, I have a Blood covenant with my boy, or with my girl, and I see them going the wrong way. You alone can bring them back." Don't trust your powers of argument! Don't trust the tricks that you can do to get them in church or whatever! **TRUST GOD! And God will bring them in by the power of prayer and the power of faith.** Blessed be God Almighty. I don't know of one person that I set my heart upon that he should know Jesus who has not come to know Jesus. If your heart is set upon them... As a matter of fact, you should be so comfortable with God that you should not even fear, you should not even have any trouble. If you see them going down into hell, have no problem with it! Because God will pluck them from the mouth of hell even to the heights of heaven because you believe. **BECAUSE YOU BELIEVE! Hallelujah!**

Question: So our desires should be replaced by faith.

Answer: Yes, just faith in God that they will be delivered.

You know, I had faith for about 30 years for my children to come back to God, because when they were 19 or 20, they were in the church, they were with us, they were preaching, they were doing everything. All of a sudden, the world took them and they just went to the depths, but not all of them. But the point is, they were not with us in God. We decided to turn our backs upon everything and trust God. I mean, when I heard that Carl turned to God - because he was the worst one - we had to take the plane to fly down there to see if it was true. (Laughter) When we found out it was true, we had to still trust God to take him up higher. The blessing is that what we thought he did not listen to, he was preaching all the way. We thought he wasn't listening to us. But it seems to have been hidden deep in his heart. Now we have the blessing of seeing him come. And he is getting at his other brothers. Oh, yes. He is getting at them, although they doubted him. You know, they thought he was bringing off a master trick. They have been convinced. We believe that all three of them will move towards God at this time. So, don't doubt

The Fourth Dimension

God! Trust Him!

So, we are going back into coming into this fourth dimension. So ask this question. Is it God's will that you should be like Jesus in the earth, flesh and blood? Hallelujah! That is where you differ from the Baptists, where you differ from the other churches. Even the Pentecostals don't believe that you can be like Jesus now. But Jesus says that you can be like Him. I'll read a passage for you. Let us turn to I John 3:1, ***Behold, what manner of love the Father hath bestowed upon us, that we should be called the sons of God: therefore the world knoweth us not, because it knew him not.*** Can you imagine that? The intention of God is demonstrated in the word *teknon*. By virtue of its use in this scripture, it tells us that God has inducted us into the position of sonship. He wants us to move from *teknon* to *huios*, which is a big son of God, a matured son of God. That's the word they used for Jesus! It says, ***Behold, what manner of love the Father hath bestowed upon us, that we should be called the sons of God:*** Let me explain what a Son of God is to you by taking you to another passage because, you know, there is nothing like describing scripture with scripture. Turn to Romans 8:14, ***For as many as are led by the Spirit of God, they are the sons*** (*huios* – Strong's Concordance #G5207) ***of God.*** Are you with me? So then, to get to that place, that fourth dimension, you have no problem but to listen to the Spirit. Whatever the Spirit tells you to do, you do it. Wherever the Spirit leads you, you go.

GOD SAYS THAT IF ANY
MAN DESIRES TO KNOW
THE TRUTH, IT IS THE
RESPONSIBILITY OF GOD
TO TELL HIM THE TRUTH.

You say, "Brother Cec, sometimes I don't know if it is the Spirit or if it is my own mind." That is the time that you learn. Hear this one now, please! If God knows that if you believe it is the Spirit and you are going to do it, God will not allow the devil to deceive you. Let's say I am naïve. Anything that my heart tells me is the Spirit wanting me to do, I'll do it. So, my heart tells me that I feel the Spirit of God is telling me to jump over the precipice and I rush to the precipice with all my heart, because I believe it is God. He is going to stop you. He will not allow you to go over that precipice. Do you understand? You cannot serve God with a false heart. You have to have a true heart, that when you believe it is God, you really believe with all your heart. God says that if any man desires to know the truth, it is the responsibility of God to tell

him the truth (John 7:17). You have no problem! You have no problem! Then, the next thing that happens is that God will see to it that He speaks to you. For if you hear a voice and you believe it is God, act upon it if you believe it is God. Have no fear! God will stop you if it is not God because that is what His Word says. Isn't that simple? I wish you could get that lesson! That is a very, very important lesson. You must be true in your heart. Don't deceive yourself. You must be true in your heart. Okay, now let's go on.

I John 3:2, ***Beloved, now are we the sons of God, and it doth not yet appear what we shall be: but we know that, when he shall appear, we shall be like him; for we shall see him as he is.*** We look at each other. We don't see any Son of God there. We see a wretched fellow, a struggling person. We don't see the Son of God, but the Son of God is inside there. Amen. He said NOW we are the sons of God! Verse 3, ***And every man that hath this hope in him purifieth himself, even as he is pure.*** You cannot be doing sin and at the same time be hoping to be a son of God. You are not fair. You are unfair. If you ARE DOING SIN, you CANNOT be hoping to be a son of God. YOU MUST stop doing the sin, and then you start hoping God will bring you into His Kingdom. Verse 4, ***Whosoever committeth sin transgresseth also the law: for sin is the transgression of the law. And ye know that he was manifested to take away our sins; and in him is no sin.*** So, if you are **IN CHRIST**, you have **NO SIN**. Do you hear me? There are two things that make you have no sin. The first one is that God says, "If any man sin, he hath an advocate with the Father, even Jesus Christ the righteous" (I John 2:1). For He was revealed to take away all sin. So that means that if you fell into sin, He immediately cleanses you and after He takes away ALL sin, how much do you have left? NONE! Amen.

The next point of being **IN CHRIST** and having no sin is that you have lost the desire to sin. Do you understand that? The verb that is translated *committeth* is an active verb. That means that you must deliberately do it. It can't be done to you. Do you understand? If I am walking here and I fall here, it only means that it is not a deliberate thing. Okay! Watch me now, how I am going to fall! And I go and deliberately fall. Then I am responsible. Whatever happens, it is sin. Sin is the act of doing wrong, going against God. You cannot sin. You can't say, "Well, I'm going to sin tonight, and then ask God for forgiveness tomorrow morning." You are not born of God. **HE THAT IS BORN OF GOD CANNOT DELIBERATELY, WILLFULLY COMMIT SIN.** And the word *committeth* means continuation. *Committeth* is a word that cannot be translated in English accurately because *committeth* means that you com-

The Fourth Dimension

mitted yesterday, you commit today, and you have the intention of committing tomorrow. That is *committeth*, you see? Now, there is no one word that I could use in English to say *committeth*. If I say *committing*, it means that I am committing now, I might not be committing tomorrow. But *committeth* means that you have a nature to sin. If you are **born of God**, you have lost that nature!

I John 3:5, *And ye know that he* (Jesus) *was manifested to take away our sins; and in him is no sin*. So you can't say that you are in Christ and you are committing sin. Do you know what I am saying? Verse 6, *Whosoever abideth in him sinneth not: whosoever sinneth hath not seen him, neither known him*. How then can you describe a man who will be ministering, prophesying as a great prophet, seeing people's business, telling them where they are from, telling them what they want, why they are here, where they are from, and at the same time living in homosexuality? How would you describe him? (From audience, "Divination and devils.") YES! The spirit he is functioning with cannot be the Spirit of Christ. And they are talking about renewing him unto repentance. They use the Word, "If you see a brother fall into sin, then you who are spiritual will renew him unto repentance, seeing that he has fallen..." (Galatians 6:1). It is not a brother falling into sin, it is a sinner falling into God's business. Anyhow, that is what we are seeing. I told the brethren, "You see that man there? That man is working by the spirit of divination. He is telling people who they are, what they are, where they are from,

IT IS NOT A BROTHER
FALLING INTO SIN, IT IS
A SINNER FALLING INTO
GOD'S BUSINESS.

what they need, that they have a sickness in their body and so it is healed now, in the name of Jesus. That's NOT GOD!" We have several of them now, and guess what? When you look at the churches that they minister to, there are thousands and thousands and thousands - millions of people they minister to, and they become millionaires. Brethren, let us leave Babylon, let us leave the world! Let us give up the world. Let us turn to Jesus Christ! That is our only hope! Oh, praise be to God! Hallelujah!

You want to be up on the mountaintop? You want to be like Jesus? You have just a few years left. Amen! If God doesn't have mercy upon us, we won't make it. I believe that in the year 2008, the sons of God will come forth. Let me put it better. We must get to that mountaintop between now and 2008 because God says that there is going to be a great war in the earth, in which this beautiful land of ours will

be marred, and every other country on earth will be marred. He wants to have a people who will not be marred, who will be moving according to the Spirit of the living God, who will be the only salvation in the earth, the only people who will have their wits together, who will be able to save the rest of the world. That is what you are here for. That is why God is bringing couples together, to strengthen them. That is why, young people, your hope is in God, that unless you find the husband or the wife that is ordained of God for you, DO NOT MARRY. I didn't hear many "Amen!" Maybe you get frightened. But if you want to get married so badly that you will go against God, then you have made yourself a loser. Are you with me? Anyhow, some losers win after a while, so I'm not really condemning you for that because you can lose now and win tomorrow. Now, don't lose today in order to win tomorrow. You may never make it. But I am saying to you that God MUST have a people, and if you are not part of that people, then you are outside in the wilderness with the "foolish virgins." Are you with me? GOD MUST HAVE A PEOPLE! This is why we are having these meetings together and this is why we will not rest from now onward, until we have become overcomers. AMEN!

Let me close with a little thought. God laid out His timetable. Right? God laid out His timetable. From the beginning of time, He had a plan laid out for the seventh day. The seventh day is the Sabbath of the Lord. This is the seventh millennium. This is the day of rest. But He says He is going to finish the work that He had begun to make from the first day; He is going to finish it on the seventh day. So Adam must be finished! Adam must be completed! Adam must reach the heights of heaven on the seventh day! But God had details and those of you who are keen, because I know we have some keen minds here, those of you who are keen, go and take your Bibles and write down the feasts, the different feasts. Take the life of Jesus. Write down what He did every day for the three-and-a-half years. As a matter of a fact, He completed - hear me now - He completed the plan of God every year, and every year of those three-and-a-half years, He went to Jerusalem. Amen. All right, let me come back to this thought.

So, in April, or in the month that they call Abib, He would go to Jerusalem and He would have the Passover. The Passover was where the pasca lamb (Strong's Concordance #H3957) was offered. The lamb was offered as a type of the children of Israel coming out of Egypt. So the very day in the year that Moses came out of Egypt is the very day in which Jesus Christ would go to Jerusalem. Now, this last year that He was going to Jerusalem, He was going there to become the Lamb. He

The Fourth Dimension

went there the exact day. God made the Jews to keep the time. The Jews became God's clock. They kept the time right unto the day when Jesus Christ was crucified. He said, "This night I must be offered up. I will drink this wine with you and I will not drink it again until I drink it new in the kingdom" (Matthew 26:28-29, Mark 14:24-25). When He appeared in the upper room before them, the first thing that He said was, "Do you have any meat?" (Luke 24:41, John 21:5). They gave Him wine and bread and He drank it again with them. New in the Kingdom! Watch it now. So, when He was about to leave, He said to the brethren, "Go, tarry in Jerusalem, until ye be endued with power from on high" (Luke 24:49). That means to say that God had set a special day that the Jews kept, and the Jews called it Pentecost. He has set a special day when the Spirit of God will enter into you on your journey to become a son of God. Now, hear me, brethren.

You cannot be a son of God unless you have the baptism of the Holy Ghost. Did you know that? Brethren, did you know that? All right! So, what is the problem then? All the people who call themselves evangelicals, who resist the Baptism of the Holy Ghost, they cannot be sons of God, yet, God will frighten them and they will get filled with the Spirit. Huh? Did you know that? You can get out of yourself, and the Spirit of God will come in. It happened to my sister-in-law, Frank's wife. There was a storm coming, and if you have ever been in a storm, you can know how horrible that thing is. For hours and hours, your house is being shaken. So she saw the door shaking, and she had been praying for the Holy Ghost for years. And she rushed to the door to hold the door, because she didn't want the door to come off and the storm blew the door off. It lifted her up with the door and took her across the room and she started to speak in tongues. She can tell you that she spoke in tongues and her feet weren't on the earth at all. (Chuckle) She was being carried by the storm. Amen. So it is possible.

But here it is now, the last thing that I am coming to. If Passover came on the exact date, Pentecost came on the exact date, when is Tabernacles coming? I'll open my Bible back up. This is the last passage that I am going to read here. This is my proof that Jesus is coming in the end of the year, on the exact date of Tabernacles. There is only one little problem with that. We don't know the exact date. That's a little problem. It's a small one, eh? Time has so changed. The Jews have lost their count. They are quarreling over if it is from 5,000 something, or what the time really is and they are not sure. But listen to this here. We look at the 21st chapter of Revelation. I will translate it for you just a little bit differently than what it is here. Revelation 21:3, ***And I heard a***

great voice out of heaven saying, Behold, the tabernacle of God is with men... God has tabernacled Himself within man. *...and he will dwell with (within) them, and they shall be his people, and God himself shall be with them, and be their God.* The reason that I translated it that way is that I was reading it from Jeremiah 31:31-33. I shall plant My law within their hearts and within their inward parts, and I shall be their God and they shall be My people. Amen! Praise God! The Tabernacle has come. And so, now look at it with me. I asked the Lord, "God, how are You going to stop the war? How are You going to save the world?" He said He will come forth in His Sons, and they will stop the war. Are you with me, brethren? Now, we know that if the war is going to start in the year 2008, that it cannot be long, because if it is long, do you hear me, no flesh would be saved. Are you with me? I would like some of the minds that are really tuned to God to really discuss that. If it is 2008 that the war is going to occur, God is going to have to make you come forth. You know we sing the song, O Mighty Christ, come forth in me! If you are going to come forth at that time to take care of God's creation, that man would not destroy it, if that is the case, THEN it would seem to me that we have a time set when the sons of God will come forth. Amen.

Now, there are two comings. God is coming in you, first, to save the world. Afterwards, He is coming in the world as King. So, when everything is finished and peace has come, then Jesus Christ will come. After the war is over, the sons of God will give their lives. Somebody says, "But why would that be necessary? Didn't Jesus Christ die already for all men?" Hhmm? You have a neighbor, brother. You have a neighbor and you talk to them sometimes. They know you. Let us say that Jim's neighbor knows him very well and then they take Jim and chop his head off and the neighbors identify him, identify that their neighbor has been killed. In three-and-a-half days, Jim comes back to the neighbor and says, "Hello! I am here." That neighbor would have to be a hell-bound, demonic person not to get saved. That is the last message that we are going to preach to the world. The resurrection of the Church. And those who were unbelievers... Thomas said, "Unless I push my hand into his side I will not believe." And then he said, "My Lord and My God!" Amen.

So the sons of God will give forth their lives at the end because they are already immortalized, and they know that they are immortal. They cannot die. They are actually going to beg them to cut their heads off. Have you noticed that the cutting off of heads has become very popular nowadays? The Muslims are making it very popular these days. **Question:** Is 2008 the war of Armageddon?

The Fourth Dimension

Answer: No, I don't believe it is the war of Armageddon. I believe that the third World War began on 9-11, and it will continue and get worse and worse and worse until it ends up in 2008 when God has to stop it.

Question: Well, don't the Sons of God have to minister three-and-a-half years and don't the tabernacles have to come before 2008? Isn't it before that big war?

Answer: I'm not understanding the question exactly.

Question: Won't the Sons of God have to come forth before 2008? And minister three-and-a-half years before that time? Before that war?

Answer: I have questioned the situation myself. But I do believe that they will have to do their three-and-a-half years before they are slain. We are going to be in our natural bodies, just as we are here, filled with the power of God just like Jesus Christ was in His three-and-a-half year ministry. So, if we come forth in that time, then let us assume that God is not going to bring us forth until the last minute, when it has to be done. Then that would be the year 2008, and we would have three-and-a-half years from then to continue to minister to the world.

Question: Then Tabernacles would occur before 2008? The Feast of Tabernacles would occur before 2008?

Answer: That is another point that I am not sure. You see, God told me that He will bring forth the people of God in their power to save the world. I know, sometimes, God does things at the very last minute. So I don't know if He will bring us before, or at that particular time. But I know that at that time, we will have the power to speak the Word and stop the atom bombs and stop everything.

Question: Would that put Tabernacles in 2007 because of the Jewish year?

Answer: I am not sure. The first two happenings, they went according to the Jewish year, that is why 2008 could be April 2009, well, 2008 could be the Jewish year which will not end until April. But the fact is that Jesus Christ has to be appearing at Tabernacles and Tabernacles has to be at the end of our year, rather than the beginning, you see? So, whatever happens, 2008, for the Jewish year, would not start until April 2008, and it would go to the next April. So, that September, in between there would seem to be... When I say September, we don't know whether it is September to November - somewhere between there, we would have this coming forth of the sons of God. Well, He said that the war would be 2008. So, we just have to go back upon the revelation that we have.

God bless you, brethren! I just pray to God that the Word must help you tonight.

Prayer

Father, we are so very thankful that we have this opportunity to come before You, to come to Your dining table. Father, there is so much that needs to be done within us as a people and so little time, it seems, to do it. But, Father, we know that by the Spirit and as we submit ourselves to the process of deliverance, Father, as we open our hearts and our minds unto You, if we are willing to release our soul into Your care, Father, if we are able to have the faith to believe the reality of the eternal that is around us and in us, then there is the possibility, Father, of accomplishing and doing all those things that need to be done in this hour, for this people. Father, there is a plan, there is a purpose that Thou have concerning the culmination of the ages. And, Father, in our finite minds it is impossible for us to comprehend the magnitude of it or even the timeframe of it. But, Father, we know by the Spirit and the urgency of the Word that is upon our heart and the pressure that we feel, Father, with regard to our need for You, oh Father, there is a door that You will open for us, or open for anyone who desires to enter therein. So it is, Father, that we present ourselves to You this evening. We want to bring every thought into subjection. You see my trepidations. You see my positions of inadequacy, totally and absolutely incapable of communicating, Father, the thoughts and the things that are upon my heart unless You give me the words and the flow and the unction of the Spirit. So it is that we ask of You, Father, to pour out Your oil upon us. Pour it out upon this vessel, Father, that the mind might work above and beyond its capability. Father, anoint the ears of the hearer. So often the words spoken are not the intent or the reality of the administration in the Spirit, but if the ears are anointed, oh God, there is the ability for comprehension and understanding. And so it is, Father, that we commit ourselves to You this evening. I commit myself. I commit these that are here present.

Father, we want not just another message, not just another word. We don't want to tickle the ears or the senses of intellectualism, but we want the reality of the living God. We want to come against every spirit that is in opposition to this Word, Father, because I know that if we can comprehend the totality of what is being spoken, we will bring the devil down to a place of destruction, not just individually here and there, but, Father, collectively, as a people that would rise up without breaking their ranks, but steadfast and sure, having their hearts set like a flint, having their soul fixed upon You and the reality of having You in that place of preeminence ever before them and around them. Just help us this evening, I pray, in Jesus' name, amen.

Word

Matthew 3:1, ***In those days came John the Baptist, preaching in the wilderness of Judaea, ²And saying, Repent ye: for the kingdom of heaven is at hand. ³For this is he that was spoken of by the prophet Esaias, saying, The voice of one crying in the wilderness, Prepare ye the way of the Lord, make his paths straight.***

There is a word that the Lord has given me that I have been preaching for the last six to eight months. I have said it before and I will say it again. I don't know that He will give me another word before He comes. I really believe that we are standing in the time frame of the imminent return of Jesus Christ. I believe that the imminent return gospel is a gospel that is quite scriptural. You see it in all of the gospels. You see it in all of the writings of the different writers of the gospel, Paul's in particular. Then when you go into the books of John, one, two and three, John is again referring to that imminent coming of Jesus Christ. But unlike John, who seemingly was in the beginning of the end, I believe that we are living in the end of the end. I don't really know whether John thought or knew that he was in the beginning of the end or if he thought he was in the end of the end. But nevertheless, the Word that he was preaching, and the Word that he was teaching brought a soberness, I believe, upon those that were hearing it. There must have been something of a reality that was being ministered to their souls with regard to the message that he was bringing, in spite of the fact that Jesus Christ has tarried yet for several thousand more years. I believe that it is written in Hebrews when it talks about those who would not receive deliverance because of the hope of a better resurrection, that they were listening to the gospel of the imminent return of Jesus Christ. And in that listening to the gospel of the imminent return, though we now know that Jesus Christ was not to come for several thousand more years, they were

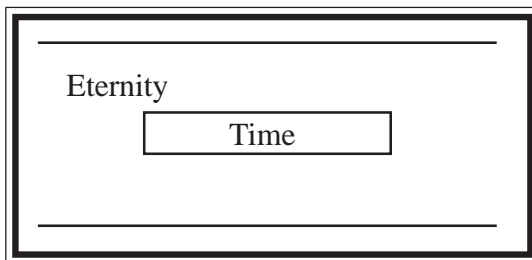

given the strength to endure and to press on and to assure for themselves a position, a place in the resurrection when it came.

Would to God that this church could have such tenacity. Would to God that this church could have such determination. Would to God that this church had the vision and the ability to see beyond this realm of the natural arena in which they live. Would to God that this church had the revelation of the imminent return of Jesus Christ. I think that if we had the revelation rooted and grounded within us, then we would have a healthy fear of the fact of Him coming and us being found in a place of lack concerning our attitudes, our positions, our disposition, our place of service and the things that we count so important that oftentimes hinder us from moving into the realm of God because of the comfort or the security that they bring to us in this realm.

I think one of the things that gave the church so much power in the times of the apostles was their reality of the message. The reality of that message wasn't, I believe, something that was just in the preacher's heart. I think there was an administration of that reality in the midst of the congregation that caused them to rise up with the preacher and begin to work and labor toward the position, toward the place of that eternalness of God. Hallelujah. I think that God is once again raising up the voice of John. I think God is once again resurrecting the voice of him that crieth in the wilderness, "Prepare ye the way of the Lord. Make straight His paths" (Matthew 3:3).

Let us not be as children. Let us not be as children. Let us not be as men or women or children that love the environment in which we find ourselves placed, but let us be hungry for those things that seem as though they were impossible to attain. The attitude of the church today should be nothing less than the attitude of God's servant Abraham, who went out looking for a city whose builder was the great Jehovah (Hebrews 11:10).

There are two destinies that you and I have before us. We live in an element called time, but time is surrounded by an entity that is called eternity. Moreover, time has one purpose and one purpose only. Time

has the responsibility of bringing to us the reality of eternity because everything in time is temporal, and without the revelation of Jesus Christ, who is the eternal, then we are men and women, or a

Expendability Quotient

church, most miserable. Many of us have used Jesus Christ as an escape mechanism by which we might have some assurance, some position of confidence that, at the end of our time, we might have the benefits of what is called “the eternal.”

The purpose of God was not just to save you out of an element that is temporal so that you might enjoy the eternal. The idea of God was to use time that is temporal to create within you the ability to be eternal, but it is sad to say that there are many of us who settle for the temporal. For one reason or another we settle for the temporal. We do not seem to understand the reality of it.

I have been chewing on this Word for many weeks, and I want to share a little of what Elohim is speaking to me about it. Let me say that it is really with much trepidation, not necessarily so much for yourselves as it is for me, that I share with you today, because I know that with the Word comes a responsibility.

There is a responsibility to begin to utilize it. One of the problems with the church is that they don't take what God has given it and use it as it was intended to be used. We put it in our filing cabinet of spirituality and sometimes pull it out in the appropriate places. The whole intent of the Word is to change you and me irrevocably. Do you know the whole reason for being saved is to be changed? Did you know that? It says that when you are saved, you are translated (Colossians 1:13). That means that you are removed from one position and brought into the realm of another existence, another realm, another position, something that is foreign to you in the environment in which you have been born, without and within.

THE WHOLE INTENT OF THE
WORD IS TO CHANGE YOU
AND ME IRREVOCABLY.

The whole purpose of God from the very beginning was to make us something other than what we are. It was to bring us the reality of the supernatural, as we call it. To God, it is just God. God had a desire to create Himself within us, to expand our position, our potential, our ability to comprehend and to understand. It is really a shame that we labor so hard for things that have no lasting value.

Do you know I was in London in the church of England and a man got up and began to minister on a word out of the gospels? A word which was talking about laboring for the meat that perisheth (John 6:27). But his idea was to fleece the sheep. He didn't have the concept or the reality of what God was talking about, but it caused me to begin to ask

God for the reality of the thing that the scriptures proclaim.

We spend so much of our time, so much energy, so much of everything that we are, just to stay alive. Do you know that that precept is contrary to the Word of God? Do you know that dying is the concept, is the precept? Do you know that death to self is not a metaphorical phrase? It is not something that is uttered for the sake of that which is symbolic. God intends for you to die. Yet we spend so much time trying to preserve what we think is life. Some of us go through life year after year after year sitting under the auspices of this Word and yet, never grasp the reality of the life that is in it.

You talk about authority. Do you want to know what authority is? Do you want to know of the authority that Brother duCille was talking about last night? It is an understanding of the concept and the precept that God wrote in ink or in blood on pages and put it in a book that He called "Bible." That's authority. But that authority is only obtained if you are willing to die. It is death to self in actuality, working in our flesh that can give to us an understanding.

In Ephesians 1:18, *The eyes of your understanding being enlightened*. Whose understanding? My understanding. Your understanding. Our understanding. Paul wrote "that you might comprehend" (Ephesians 3:18). Well, we want to comprehend so we can preach. We want to comprehend so we can display our knowledge. We want to comprehend so that we have something that gives us some sense of security, that brings some sort of hope that we might be able to hang on until the end. How many of you are just hanging on? Just hanging on. Some of you by the shreds of your fingernails. Just hanging on. Some of you are not even hanging on. You are just gaily walking through it, not aware of the authority that you have in the concept of the Word that has been delivered to the Church.

The Word has the power to change you. The Word has the power to change your environment. The Bible says, *If ye have faith as a grain of mustard seed, ye shall say unto this mountain, Remove hence to yonder place; and it shall remove; and nothing shall be impossible unto you* (Matthew 17:20). Faith is not just a metaphorical word to describe a super-duper, fuzzy-wuzzy feeling. It is a word that describes a realm and a reality of the things of the Spirit and the fact that there is an intent and a thought that God has and the world spins on the basis of that thought and that intent.

You know, they can't explain it. Do you know that? Science can't explain why the earth just hangs out there. They can't explain it. They can't explain it! They have some of the greatest minds and they

Expendability Quotient

have such intelligence that I would seem like a poor, pathetic moron in their presence. They would use words and things that I could not hope to ever understand and yet they can't explain why the world just sits there and spins and goes around and around and around! Why does it do that? I don't know. They give you the XYZ stuff but it just sits there and spins. They can't explain it. God says it does it by faith. The world you are standing on is there because of faith! I am glad it is not my faith. We would all have earthquakes. We would have all kinds of natural disasters. I am glad it is not your faith. I am glad it is His faith!

There is something of a comprehension that God has hidden from us, there is a veil that shrouds the mysteries of Yahweh, it seems. Do you know that? There is a veil over our minds that only you and I have a power to break. It says of Jesus in Hebrews that the veil had to be rent before He could go into the Holy of Holies. Hallelujah. God has given into our hands that ability to comprehend, if we are willing to move into the realm of experiences that are uncomfortable, that are out of sync with how we think, and how we feel and what we want. If we are willing to die. With that death, I believe, we receive understanding. My mother used to say to me, "Burt, you are your own worst enemy." And I have begun to look at "me" as my number one enemy. Number one enemy. Do you hear me? Any confrontation, any clash, any position of resistance, any kind of discomfort, any time that I want to move contrary, I begin to look at me. You see, I don't want "me" to be preeminent. I don't want "me" to be prevailing in any set of circumstances to bring forth "me"! What I want is a demonstration of the awareness of God and the intent of God! You see, God had an intent. Do you hear me? God had an intent. It just so happens, in the process of time, I was born within the family of Asbill, but I want to tell you something. Asbill was a temporary residing place. The realm in which I was born, the economy in which I was born, the philosophical doctrines of that economy were nothing but a temporal thing that needed to be shed. Like a snake sheds its skins, I needed to shed "me." Do you hear me? That I walk out of that position of my carnality and subjugation into a place of authority.

It is not difficult. It is not difficult. The difficulty comes because there are some things that we want. Some of us want security. Some of us just want to be accepted. Some of us want to have our little idiosyncrasies. Some of us want to have our "this" or "that." "I am willing to give up this. Just save my little place in the sun, my little path of walking. I just want to be able to go fishing when I want to go fishing, or go shopping when I want to go shopping, or do this when I want to do this, or go on holiday. I want the beach. I want the sun." Somebody

said, "I just want a holiday." I said, "Well, you can go on a holiday. I am not against holidays. But you know what? The devil is going to be there, too. In fact, he will probably meet you when you get off the plane."

Because you see, brethren, you and I have a problem. We have a problem. You have heard a particular Word and that Word has pricked something in your heart. You may have trouble with personalities. You may have trouble with some of the doctrines that are coming forth. You may have trouble in this and trouble in that, but in the midst of all of it, something has pricked your heart and you cannot get away from it. Many of you have tried to go to other places to drink or to eat but you have come away feeling so dissatisfied, if not defiled, because it has not given to you the substance of what the Bible calls life! It has not quickened your spirit! It hasn't done something in you in the realm of eternity that is your soul! You come away feeling tired. You come away feeling blah. You come away feeling like something inside of you that needed to be resurrected is still dead!

You and I have a problem because, you see, this Word is a Word of no quarter. Do you know what I mean by "no quarter"? Do you want to know what "no quarter" is? When an invading army comes in and they raise up the no quarter sign, the flag that says no quarter, that means you slay everyone. Everyone. There is no mercy shown. There is no position, no place of acquiescence to life whatsoever. Man, woman, child, beast - everything gets slain. Everything is decimated. This Word says to you and I that no flesh can stand in the midst of God! That means no personality. No position of personality has the right or the liberty to say, "I want to be in this place as me!"

Therein lies our trouble because, you see, we want some of "me."

It is not a problem knowing what sin is. It is not a problem of repenting from your sin. The problem lies within the nature that you were born with. You like it! You love it! You want to cherish it! There is something special about it! And we

**"ISN'T IT ENOUGH THAT I
GIVE THIS OR I GIVE THAT?"
IF IT IS NOT EVERYTHING,
IT IS NOT ENOUGH.**

And we pamper it and we pet it and when people step on it, we get offended. We take so much care protecting it, cleaning it up, polishing it, putting it on the wall. "Oh, my. Isn't that so lovely?" And all the time God says it has to die. The Word you have inside of you says you have to die. And you are saying, "I don't want to die. I don't want to die!" Because you

Expendability Quotient

don't have the hope of resurrection. You don't have the hope of the reality of God inside of you. You want your little space. You want to do just this and this and you don't want to do any more. Why? Because there is something of you that is saying, "I want to be me. I have a right as an individual. I have a right as a person. I have some dignity. Isn't it enough that I do this? Isn't it enough that I give my money? Isn't it enough that I give my time? Isn't it enough that I give this or I give that?" If it is not everything, it is not enough.

Brethren, we are not preaching, we are not teaching, we are not pursuing a part-time gospel. Do you know, for some of us it would have been very, very, very much better if we had never heard this gospel because some of us that are hearing are doing nothing with what we have heard. If you think that, because you are of an age that doesn't seem to have much comprehension, that you don't have a responsibility to do something with what you have heard, you are wrong, because the Word that we are ministering is not a Word of intellect, it is not a Word of reasons. It is a spiritual position, an impartation that comes via the spirit. That makes you and me and everyone who hears this Word accountable! To the degree which we have heard, there is something of an onus put upon us that in the midst of our degradation, in the midst of our doubt, in the midst of our confusion, we have to rise up and begin to proclaim the nature, the entity of Christ that is within us.

Paul says, "I can do nothing of myself." That is what Paul says. "I can do nothing of myself." In John 8:28 Jesus said it of Himself. Listen to me, brethren. I want to tell you that this realm that we live in is

Eternity

Time	Hell
------	------

called hell. This realm is called hell and many of us are working to assure our position, our place in the realm that we call hell. We want some position of preeminence or, at the

least, some sense of accomplishment.

We don't understand the intent of God from the beginning of time. Jesus, my goodness. They came together. Hallelujah. I don't know how they did it, but they did. They came together. In the beginning God said, "Let us..." (Genesis 1:26). There was a council in the heavenlies. There was a council going on in the divine mind of God that said, "Let us make man. I want to make man in a particular way. I want to make him in a particular fashion and I am going to put him in the darkest, deepest hole that I can ever possibly find. I am going to stick him in that hole and command him to rise up."

Do you know that the parable of Lazarus is the story of the whole intent and the desire of God (Luke 16:19-29)? Do you know that? It had been four thousand years that humanity had laid in the clutches of hell, but when the Son of man, who was the original intent, who was the Word that was in the beginning, who was the Word that was there in the council of the triune when God said, "Let us make man," when He broke forth into the realm of hell, there was a command issued out of the heavenlies! "Let my people go!" It was THE Word! I want to tell you why.

Do you know that when God said, "Let there be light," He put His condemnation on the darkness that was in existence in the beginning of time? John 3:19, ***And this is the condemnation, that light is come into the world, and men loved darkness rather than light, because their deeds were evil.*** As much as He said it in the beginning when He spoke light into being, He looked down on the condition of chaos and hell and He created a prophetic word that would not be visualized for yet another 3000 years. Do you know when that event happened? When humanity witnessed the revelation of Christ when He broke forth in the earth. We call it the moment of transfiguration. It was a coronation. It was a proclamation. God could have just as well have said, "Let there be light." Instead He said it a different way. He said, "This is my only beloved Son, the reality of the living Word, *Hear ye Him*" (Matthew 17:5). "This is the walking, talking, omnipotent Word. This is part of the shekinah realm of glory that abided in the beginning." Hallelujah! In our minds, we think a son is as a human son. I am talking about the incarnation of God in the midst of humanity! This is the Word! Loose! Hallelujah! This is the Word! What did He say? "Hear Him. Hear Him." Luke 9:35, ***This is my beloved Son: hear him.*** Oh, boy. And those disciples that were present during the transfiguration, their humanity rose up. They wanted to make a church. They wanted to build a denomination. They wanted to "pastorize." They wanted to "pastorize" the reality of eternity. They wanted to put it in a box and put a name on it! They wanted to call it the church of Elias. Or maybe, better yet, the church of Jesus Christ. They did not hear, and yet they were in the presence of the Word and should have heard. How many times have we sat in the presence of the Word and have contended in our soul because that Word was working contrary to our position of personal preference? We contended. Oh, we may not have risen up and walked out. We put our head in our lap and we groaned. "Oh, my. Oh, me. Here he goes again. Working it off. Working this. Working all that emotionalism." We are contending, contending, contending, contending, and we are missing, miss-

Expendability Quotient

ing, missing, missing, missing, missing, missing, missing. Always missing and never coming to the truth. Going out the door and walking into tribulation with no strength, no power, no authority because you have denied the purpose of the Word. You have denied it. You have rejected it. Why? Because you didn't "feel" anything. Oh, you felt something all right. You felt resentment. You felt a little bit of anger. You want to call it righteous indignation.

The Word has power. Do you hear me? God said, "This day I set before you a blessing and a curse" (Deuteronomy 11:26). Come on.

If we don't live in this realm of hell as though it is the realm of heaven, do you think that there is not a consequence? The realm of the "I AM." The eternal, that is yesterday, today, to-

Eternity

Heaven

Time

Hell

I AM

morrow, forever outside of the realm of time. Do you think that if we don't live in this realm of hell as though it is the realm of "I AM," there is not a consequence? We suffer sickness. We suffer all kinds of maladies which are physical, mental, emotional. We have frustrations and depressions. We allow ourselves to be subjugated to the realm of time, to the realm of hell. We become more in tune with the frame of mind, that depicts the children of perdition and we become more like sons of perdition than we become children of heaven.

You know what God prophesied of you, Brother Tom? He said, "I am going to kindle a fire in the midst of hell." That not only means in the midst of the world in which you were born, in the element of time in which you abide, but in the midst of Sigwarth and all that it entails and all that it has and the power that it has over your mind, your emotions. God is building a fire in the midst of that hell that is being kindled! It is going to rise up and it is going to destroy the power and the hold of the devil!

We fed our children and we are feeding our children to mammon. We have not instilled in them the concept of eternity. We have given them stuff that is temporal and not eternity minded. We wanted them to have a good education. We wanted them to succeed. We wanted them to be flowing in the midst of humanity. We want them to do their part. We want to make them well adjusted. We send them to the best university. We give them every opportunity, only to feed them to the doctrines of hell and degradation and death. And we wonder, "Oh God, why are they out there wandering around in the world?" If the shoe doesn't fit, don't put it on, but if it fits, then put it on and repent.

Brethren, there is an intent and a desire that God has. Galatians 4:1, ***Now I say, That the heir, as long as he is a child, differeth nothing from a servant, though he be lord of all.*** In Romans chapter eight, he begins to talk about your translated status. Do you know something? Do you have a husband that is difficult? Do you have a wife that is difficult? Do you have a child that is difficult? Go to God. Put them on the altar. Come on. Put them on the altar. Ask God for fire. Do you hear me? Ask God for fire! Because if you do not think tribulation and trouble is releasing and bringing them into that place of safety, you are wrong.

You see, God doesn't care about your flesh. Flesh is temporal. It says, ***...all flesh is as grass*** (I Peter 1:24). "What is your life? It is even as a vapour before the Lord" (James 4:14). But you see, we don't believe in the realm of eternity because if something bad were to happen to them, oh that would be terrible. They would hurt. They would cry. We would hurt. We would cry. Yes, we would. Absolutely. But if their soul is to be preserved, you must reach into the realm of eternity and command the hand of God to reach forth out of eternity into hell and to wrest them out of its jaws. Isaiah 49:25, ***But thus saith the LORD, Even the captives of the mighty shall be taken away, and the prey of the terrible shall be delivered: for I will contend with him that contendeth with thee, and I will save thy children.*** Is that right? Shall the lawful prey be taken? Are you willing to put your faith on the line? Are you willing? Are you willing to suffer the thing that comes because of their position and their place of their rebellion? Are you willing to grieve in the Spirit? Loose! Loose! Loose! Are you willing to grieve in the Spirit?

Most of us love our children, but we love ourselves just as much, if not more. The Bible says that we are to ***love thy neighbour as thyself*** (Matthew 19:19). And some of our love for ourselves is inordinate. Hello? Not very many amens on that one.

I will go a step further. All of the inordinate manifestations of love, that they call love, I say is *eros*. You know, there are only two words used in the Bible to describe love. They are *phileo* and *agape*. But there are three words for love in the Greek. The third word is *eros* and it is never mentioned in a positive way, that I know about, if it is mentioned at all. Why? God chose to ignore it because it wasn't worth His effort in its relationship to the reality of the Word that He has brought to us. The erotic nature of sin has been woven within the fabric of our families, and out of that erotic nature comes all kinds of deviations and diabolical manifestations. We, as parents, have the power to break it if

Expendability Quotient

we are willing to pay the price of that breaking. If I am willing... Do you hear? If I am willing, I can reach into the realm of eternity and command the hand of God to move! But I have to be satisfied that, however God moves, whether I understand it or whether I really wanted Him to do what He does, it was God and I can rejoice in it. You know, I can only have confidence in God that that loved one has found that position in God that I desired them to have. Loose! Hallelujah.

It is like children playing in the market place. You know, quite frankly, I don't think God is satisfied with us. I really don't. I don't think He is satisfied. Well, He is probably satisfied with you. He is just as happy as can be every time you come on the scene. "Oh, here he comes. Happy go lucky." But you know what? I don't think He is

happy with us at all. I think we are self-centered. Oh, we don't mind being Christians to the extent that we want to be. We don't want people calling us up at 2 o'clock at night. We don't want people misbehaving over and over

YOU KNOW, QUITE
FRANKLY, I DON'T THINK
GOD IS SATISFIED WITH US.

and over and over and over again. We want to wash our hands of a situation or a circumstance and be able to walk away from it, but we don't ever come to the place where we are willing to reach into the realm of eternity, because we don't believe in the eternity now. "Oh, yes. I know, Lord, at the end of the day, at the end of time when Ye shall come again, we shall all be resurrected." "Mary, you are a fool. You are a fool. You don't understand. You don't comprehend. You don't realize the magnitude of the Word that is here now, in your presence, dear slow, dull, and grieving Mary. I AM eternity" (John 11:21-27).

Do you hear me? I don't know. Do you think we would have been different, dear, than Mary or Martha or the twelve? John? While he was walking and talking among them, they didn't even recognize Him. They never saw Him in the reality of eternity. Do you know that? The whole time He was with them. He said to Philip, "Have I been so long time with you, walking with you, talking with you, sleeping with you?" (John 14:9). He was just Jesus, a man with a theology that was different, that quickened something in their intellectual perception and gave them some sort of religious high, but that high didn't have the ability to do for them what it needed to do for them when He was taken out of their midst. They had a knowledge of God, but no power.

Oh, we would be different, right? We would be different. Let

WHEN FRUSTRATION COMES INTO YOUR LIFE, WHAT IS YOUR FIRST THOUGHT? “OH, NO, HERE WE GO AGAIN. OH, NO. THIS AGAIN? NOT THAT. LORD, I JUST DON’T NEED ANY MORE TROUBLE. LORD, DON’T YOU THINK I’VE GOT ENOUGH?”

me tell you something. When frustration comes into your life, what is your first thought? “Oh, no, here we go again. Oh, no. This again? Not that. Lord, I just don’t need any more trouble. Lord, don’t you think I’ve got enough?” Or just “down in the dumps” depression. “I thought You said, God. I thought You did, God. I thought You would, God,” and all the time God is standing there, His presence so real, so manifested. He is walking and talking with us, moving in our circumstances, supernaturally delivering us again and again and again and again, again and again, and we turn right around and we are all out there, “Joe Carnal,” with a religious philosophy of the end time and with a sense of false security because there we have no reality of the Word.

Do you think we would have been different, brother? Do you think we would have appreciated the reality of the Word? Do you know that some of us have been hearing this Word for over 35 or 40 years? We have been walking in fellowship with the Word and, you know, we are not one bit closer to the reality of the essence of the living God. Whatever happens, we are unshakable. Unshakable. Undeterred. Undetermined. Undepressed. Unoppressed. Or just lazy. We are spiritually lazy people. Spiritually lazy people. We pray for half-an-hour. We may pray for an hour. Oh, maybe you can really work it up and pray for an hour-and-a-half! What about praying without ceasing? What about staying in that position of travail? What about the reality when you are translated mentally and emotionally?

Let’s talk about emotions. Do you know that God is a God of emotions? Did you know that? He has anger. He has joy. The joy of God was so great and was so poured out in the realm of David’s experience that he took off his outer garments and began to dance before the Lord, and I want to tell you that it was an extreme thing that he did (II Samuel 6:14). It was out of character for the king to expose himself. How many times have we acted like Michal, and have come against the anointing and the unction and the manifestation of God in the midst of a

congregation? We have risen up in our soul and, worse yet, we have taken our poison, we have taken our dissatisfaction because of some personality, or something of a prick of the Word, stuck where we didn't want to be stuck and we have infected and contaminated others. Hallelujah.

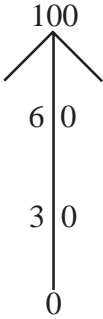

There is what I call the XP quotient. I am not talking about the operating system on your computer. The XP is for "expendability." Expendability. Some of us may be at zero for the amount we are willing to be expended. The servant

that was given the one talent, that was his expendability quotient (Matthew 25:24). Zero. Hello. He took his talent and he buried it in his humanity. He allowed his humanity to have preeminence over his spiritual understanding and his spiritual position of responsibility. Come

on. Hallelujah. Some of us are at an XP quotient of 30. Some of us have an XP quotient of 60. And some of us desire to be 100 for our expendability. You know, it is not wrong to be 30. It is not wrong to be 60, if your desire is ascension, is going higher. You want to know something? The higher the percentage, the more that is required. The labor. It says that the fields are white with harvest (John 4:35), but the laborers, where are the laborers? Oh, we want to establish a missionary team and begin to evangelize the world. How about evangelizing your particular, peculiar environment and putting your hand to the responsibility that God put into your position of operational procedures? Oh, we want to give our 10%. We want to give our 10%. Well, what is your expendability quotient? Some of us think that because we make money, the money we make is ours. Well, it is yours IF you didn't hear this Word. Some of you think that your time is your own. You do, you think it is your own except for your 10%, except for the fact of going to church occasionally, except for the fact of being with the brethren on your terms! You know, we don't have the privilege of deciding what the terms of fellowship are.

There is a clarion call that is going forth in the heavenlies, and the call comes, not via the venue of man that says that church is at a particular time, but on the basis of God calling His sons together. Some of you here, God is giving you a last chance. Did you know that? Some

YOU KNOW, IT IS NOT
WRONG TO BE 30. IT
IS NOT WRONG TO BE
60, IF YOUR DESIRE IS
ASCENSION.

of you, not all of you, some of you here, God is giving a last chance, because God is in the business of bringing forth His church and God is going to bring forth His church whether I am in the church or not. Or whether I am able to fulfill the destiny that God has for me. You know, it is not a destiny that I chose. You see, if I had chosen it, then it would be my responsibility to work out all the mechanics.

I am not Alpha and I certainly am not Omega and therefore, I don't know what is inbetween. He does know, and if He has taken me from this point and designated me for that point, then He knows what it is going to take and what it is going to need and how it has to be done. It becomes His responsibility because it is of His election, and He is going to do everything that He possibly can do to bring it to pass. All I have to do is die. That is all I have to do. I just have to die. I have to die to ambition. I have to die to position of self-worth. Come on, brethren, we need to get with the program!

Paul came to a revelation. Do you think that we are better than Paul? Do you think that we are in a better place than Paul was? He says, "There is nothing, nothing, nothing, nothing in me that is worth one hoot (Romans 7:18)." Some of you probably don't understand what a hoot is. That means that it's worth nothing. Nothing. It is nothing, Brother Charles. Nothing. All royalty. All the blood. All the firstborn. All the possessions. All the things that man can give you in the natural, is nothing. Nothing! It has nothing to do with my position of eternity. I am not created for a temporal place of time. I have not been given an eternal position of existence to squander, for I have a destiny that is eternal.

Do you remember the parable of the prodigal son? ***Father, give me the portion of goods that falleth to me*** (Luke 15:12). What do you think he did? He went out and squandered it. Some of us are squandering our portion. We are setting up our position of personality preferences. We are setting up our position of opinionated, self-orientated desires, as sons. Guess what? You have the right and the liberty to do it. You do. You have the right to do it, but when it comes down to the end of the day, you don't have anything. You might have a place in the Father's house as a servant, but you are not a son in the sense of the firstborn. All that the father had went to the son that remained at his post.

But I believe, brethren, that there is a position that I can lose if I don't behave. You don't have to believe this way. It won't bother me a bit. It won't change my position, my thought or my belief. God tells me, "Work, Burt. ...***work out your own salvation with fear and trembling***" (Philippians 2:12). That means that there is a line that is drawn and I

Expendability Quotient

have to concentrate on that line. I have to put my foot on that line and I have to put one foot in front of the other when I get out there (in the fields), and sometimes I get righteous going back and forth, like Peter out there on the water. It is my responsibility to maintain my focus. I can't let my humanity dictate to me and allow my humanness to rise up. "Well, you can't do that to me. I've got a position of authority. I rebuke you in Jesus' name." Oh, my.

We don't understand. We are like children playing in the market place. We are doing our little thing. We are coming to church doing our religious thing. The scripture says, *That the heir, as long as he is a child, differeth nothing from a servant, though he be lord of all;* (Galatians 4:1).

My bulletin staff has been working, working, working. We have been putting this little cookbook together to bless the Body of Christ and, of course, to help the work of God. We have had nothing but tribulation. We have had nothing but tribulation, and I am saying, "A cookbook? You can't be serious, God. The devil is so interested in a cookbook? I want to know, God, what is cooking?" But there is a position we have taken. We have made a determination. We made a decision. You can ask them. They are going to be writing their little testimonies down about their places of frustration and wrestling and coming through in a glorious manner, because I want to tell you that it is going to be printed. It is going to be put together and you all are going to be able to

TRouble ON THE LEFT. TRouble ON THE RIGHT.
TRouble BEHIND YOU. TRouble IN FRONT OF YOU.
FIRE ALL AROUND. HALLELUJAH! THAT IS THE
PLACE YOU WANT TO BE IF YOU WANT TO BE A SON.

buy it! Tribulation and trouble is that which has been allocated to the church from its inception. I challenge you, take this Word as real and begin to apply it. Then you had better batten down the hatches. You better batten down your hatches. Brother Gordon, poor Brother Gordon. He didn't even know what was going to happen when he said he would print our cookbook and put it together for us. It was almost like we plotted and planned to get him into tribulation. But Brother Gordon, we didn't plan it. We didn't plot it, but we can walk together through it! Hallelujah!

Trouble, trouble, trouble. Trouble on the left. Trouble on the right. Trouble behind you. Trouble in front of you. Fire all around. Hallelujah! That is the place you want to be if you want to be a son.

What is your XP quotient? Some brethren came to work with us. I told one young man, "I don't care what time I knock on your door, it is time to get up." I said, "Don't even look at your clock. Time has stopped for you. You can just consider yourself in eternity." I have to give him credit. I have to give him credit, because credit has to go where credit is due. I painted such a black picture of working on the farm with us. I told him, "We work from daylight to dark and no pay. No money!" I said, "You have to do what I tell you to do, when I tell you to do it. You cannot argue with me. You have to work, work, work and work some more, and when you are tired of working, it is work some more." When we would be out there pulling the weeds out of the beans and my grandchildren would say, "How much longer, Grandpa?" I used to tell them, "Another hour." And then, in a little while longer they would say, "How much longer, Grandpa?" "Another hour." And then down the road an hour they would say, "Can we go, Grandpa?" I would say, "Well, almost, but it is another hour." That's the mentality. I have been talking to the bulletin staff. I said, "I want you to go and read the story of the unprofitable servant" (Luke 17:7-10). Work hard out in the fields. They are learning to work hard in the fields. It is one thing to sit at a desk behind a computer working out all those numbers, reading through all that literature, doing this and that and you come away with a headache. But when they come in out of the fields, their head hurts, their hands hurt, their feet hurt, their knees hurt, their back hurts. Everything hurts, and everything is dog tired. Have you ever been dog tired? Dog tired! I don't have to say to them, "Go to bed." I have a son who used to play so hard that when he sat down at the table, before he could finish his meal, you would hear "whump." And you would look over there and you would have to move his sleeping head out of the mashed potatoes because you were afraid he would suffocate.

Tribulation. Trouble. Expendability quotient. What is your expendability quotient? What is it? Oh, I am sure we all have our lines of demarcation. Oh, yes. "I am coming. I am coming. I am going to do it, Lord. OK. I have done enough. I have done enough. Let somebody else carry the load." What if Paul would have said that when God said, "Send him into Macedonia" (Acts 16)? What if Paul had said that when he was up there in Corinth and God wanted to send him somewhere else and somewhere else? What if he did that at the end of the day when he was down there in prison in Rome? "I have had enough, Lord. I want to

Expendability Quotient

retire. I want a villa on the beaches in Spain. I want to enjoy the grapes and the fruit of the land. I want to tour the country. I want to do this. I want to do that.” Oh, yes. We are very extravagant with our energy, time, and finances. We are always extravagant with something we want to do and like to do. How stingy do we get when it comes to something we don’t want to do, or it involves something maybe we don’t like? I

don’t think we are much different than the rest of the church. I really don’t think we are much different in our behavior, do you hear me, with the reality of what it is that we have been given in the Spirit, by the Spirit, from the fact of what the early church had when Jesus was there. Quite frankly, I do not know that we have even climbed to the

level of maturity that they had at that time.

I came out here a couple of days ago. We have been praying for rain. We needed rain. We needed rain really badly. We needed rain. We needed some water. I drive by my corn and they go “huhuhuhuh.” I could drive out at night and I could hear the plants calling, “Waaaaattttteerrrr. Give me some water.” I was out in my beans and I was walking through the field and I hear, “We need a drink.” We began to pray for rain. Oh, boy. We should have been a little more specific. We got rain. We got 2.1 inches of rain in two hours. Then the wind that came through just leveled everything. I got up in the morning and I said, “Oh, my, praise the Lord. We got rain. We are wet. My corn will be happy. It will be up there praising the Lord.” You know, I came out here and it was all face down before God in adoration. I mean it was flat. You talk about flat. I was driving up the driveway and I was just creeping up the road. Looking. Looking. Looking. It was so close to being mature! I said, “I will never taste it now. I never will have it now.” I said, “All right. I am going to push my rock.” I said, “God, I am going to give it four days.” That sounds like faith, doesn’t it? It sounds like faith and power, right? Sounds like the man of God. But when I am down, it is a different story. When I was talking to my wife, I said, “We are finished. I will give it four days, but in four days I am going to plow

it under.” She called me up on the phone. I hadn’t even come out here to the farm. I said, “I am not going out there. I have other things to do.” She called me on the phone and she said, “All your corn is resurrected.” I said, “What?! You have to be kidding me! It is resurrected?” I am telling you, it was flat on its face before God. Down there. I had walked out there and I had picked up a stalk of corn and put it up. But it fell down, just like that. It said, “I want to worship,” and fell straight back down on its face. I picked up another one, I stamped the dirt around it to hold it up and I said, “Stand!” He said, “I am tired.” Puff – and it fell back on its face in the dirt. I want to tell you. See it out there? See it over here? It is standing up straight and tall. I am telling you brethren, it was flat, flat, flat, flat. You couldn’t have gotten it any flatter without it being buried.

There is a position, there is a place that we have in the spirit if we understand the reality of the things that we are talking about. What is money? “What is money? Is he crazy? Money is everything!” But you know what? Whenever Jesus needed money He told Peter to go catch a fish. That’s all He did. He said to go down to the seashore and cast in a hook (Matthew 17:27). Jansen, have you ever cast in a hook and just caught a fish? I don’t think Peter even baited it. He just threw it out there. “We have labored all night, Lord, casting nets and pulling it in. This pond is dry. Every fish has gone somewhere else. We have been doing it all night. Nevertheless, nevertheless, nevertheless, nevertheless we will do as You say” (John 21). That sounds like a real statement of faith, doesn’t it? Men of faith and power. “Nevertheless we will do...” Those fish were jumping into the boat. I think, as they began to pull the nets in, that the fish were just jumping into the net, “Wait for me! Wait for me! Wait for me!” Why? Was it just some abracadabra, hokus pokus, dominocus fish jump? Or was it the Word, the authority of He who created the fish, that said to the fish, “Jump,” and the fish jumped? Do you know something? I think fish have more intelligence sometimes than men and women and children with regards to the things of God. A stupid fish that has the brains about the size of a pin head can hear and recognize the Master’s voice. You and I that have the complexity of a mind that we can’t even begin to understand. You know, medical science doesn’t even know about it. They are just now beginning to recognize certain things about the human mind, but they don’t know what it is that they are looking at.

We begin to contend with the thought of the actuality and the reality of the Word. How long are we going to be children? How long are we going to contend with our position of self-preservation? Do you

Expendability Quotient

want to stay alive? They all wanted to be part of humanity in Noah's day. Do you believe that the end of the world is coming? Do you believe that there is an ark that God is building? Do you believe that the ark is being built with people? Do you believe that destruction is coming? No. Oh, maybe you believe it will come some time, somewhere down the road. You believe that one day, somewhere down the road, if God does not tarry and preserve you, that you will go through life as you have gone before. Right? And you had no idea, did you, of the reality of the physical situation that was confronting you.

You can expend your fortune for whatever it is that you want. You can preserve your life. You can exonerate it. You can exalt it. You can put it up on a pedestal and bow down to it. Oh, come on. Come on. Come on. Bow down to it. How do I bow down to it? By observing this and that in these seasons and times and all of these things that go with that realm of humanity.

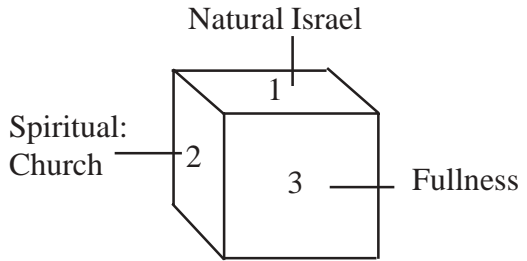

You know, I am not supposed to know any man after the flesh. Did you know that? That means that I am not to recognize my position, my place and my beginnings in the fleshly arena. Flesh is not to hold preeminence over me. It is not to hold me in a place of bondage. The fact that I am an Asbill and this one is an Asbill and that one is an Asbill has nothing to do with the scheme of God or the plan of God, except for the fact that they were brought forth for an eternal purpose. I was not born to bring forth the progeny of Asbill. That was not the calling and the election that was on my life. What I was brought forth for and what came forth from me was for the purpose of establishing God's will and God's destiny in the realm of the heavenly for the lives that came out of me!

Do you know that, as a sinner, I had the cognizant reality that God had a plan for my life? I am telling you, as a sinner, I had a perception of God's plan. It scared me to death. I had a cognizant reality that God had a plan for my life and I was also aware that I was rebelling against that plan. I was aware that I was working contrary to the will of God in that plan and I thank God that He put me in circumstances beyond my ability to control where I had to submit myself to His purpose, to His plan. I thank God that in the submitting of my position, my place and my life, that God has begun to change me from a temporal realm, from a time element, to a realm of eternity. You know, Paul said it a different way. He said, ***All things are lawful...*** (I Corinthians 10:23). That means that you can do anything that you want to do and justify the doing of it, but he said, ***...all things are not expedient.*** Now, that expedience is not determined by your position of opinion or perspective. I

don't care how smart you are, how successful you are, how talented you are. It has nothing to do with what your perception is regarding your position and your station in life. It has everything to do with what God thought in the very beginning. He told somebody, somewhere in the Bible, that He knew them before they were formed in their mother's womb (Psalm 139:14).

Let me read you a verse. John the first chapter, verse 11. It says, ***He came unto his own, and his own received him not.*** Now, you remember, the Word is three-dimensional. You remember that, right? Three-dimensional. First the natural, then the spiritual and then the fullness. One, two, three.

Three step punch. It says, ***He came unto his own.*** "His own" would have been natural Israel in the beginning, the spiritual Israel, the church, the called out. It says, ***He came unto his***

own. With what? How did He come? He came as the Word, with a Word. And the Word is defined for us. He doesn't leave it to our expectation or our interpretation. It says, ***He came unto his own, and his own received him not. But as many as received him, to them gave he power to become the sons of God*** (John 1:11-12). What this means is that, in order to receive the Word, they had to accept a Word. Or, if you wish, a manifestation of the fullness of the intent of what God wanted in the beginning. Jesus said, "I am not my own," (John 5:30). ***But as many as received him, to them gave he power to become the sons of God, even to them that believe on his name:*** (John 1:12). "Name" is not indicative of a label. "Name" is not indicative of a label to identify a certain personality. It has nothing to do with personality. It has everything to do with nature. It has everything to do with His nature and the nature that God desires me to have is called believing. Believing is a nature that will always be in conflict with the nature that I was born with. This old man nature is in a place of conflict with the nature of eternity that God wants to put in my soul. It says, ***...to them gave he power to become the sons of God, even to them that believe on his name: Which were born, not of blood, nor of the will of the flesh, nor of the will of man, but of God*** (John 1:12-13). That means God overshadowed you and in the midst of that overshadowing, something was birthed in you that was not of this realm called flesh and world. Its composite makeup is not of the cosmos.

3:3). Do you know something? This realm here is governed by what the scripture calls law and the manifestation of the son of perdition is a spirit of lawlessness. Now, Paul said that we are not under the law but we are under what? We are under grace, if so be that you abide in that position, that place of grace (Romans 6:14-15). The law is for the realm of time. Law is for the position of the temporalness of our caterpillar existence. Every time that you and I walk out of eternity and begin to play around in the finiteness of time, we are under the disposition of law because God never intended for us to be in a position of being overshadowed by this aspect of law. He intended for the realm of law to be created in an entity that He called the Son. The Son and the law are synonymous. Without the Son, you have no law because the Son is the law. The nature of God is the thing that commands and demands totally and absolutely a position of absolute acquiescence to the place of righteousness.

He created time for one purpose and one purpose only: to deal with the aspect and the position of wickedness that uses times against you and me. Do you know what they say about the devil? Do you know? He knows his time (Revelation 12:12). You know, it is his time and it is short. Listen to me. If you don't think that "Time" is not governed by the reality of wickedness, you are mistaken. Biblically speaking, he is called *the prince of the power of the air* (Ephesians 2:2), and yet, you and I find ourselves

under that jurisdiction. We find ourselves submitting to the quality of time that is upon us. You know, we are not supposed to be timed. We are supposed to be

Eternity

Prince of the Power of the Air

I AM

timeless. I am created for eternity. I am not created to live and die and be buried, though my dust, my dirt, my flesh go back to the elements. I was not created for that. Why would God, an eternal God, a God that is omniscient, omnipresent, and omnipotent, why would He create such a thing? Why? It is outside of Him. It is outside of His nature. It is outside of His being. It is outside of His thinking. He created it for one reason and one reason only and that is to demonstrate the reality of God to overcome every obstacle, even death and hell.

He took the poorest, the weakest, the dumbest... Now, I am not talking about you. I am talking about me, the most timid, shake-in-your-boots fellow you could ever find. Afraid of the dark. Afraid of this. Afraid of that. In the midst of anything, always looking for the easy way out. Always looking for the door of escape. "Women and children first,"

Expendability Quotient

forget it. I know what this fellow was made of, you understand? I know the propensity of evil that was in this fellow's heart. I know what this fellow was capable of doing. I know what this fellow has done. I know that this fellow needs the Blood of Jesus Christ. He needs to stay, not at the foot of the cross. No, no, no. I don't want to be at the foot of the cross. I want to be on the cross. I want to have that place of preeminence. I want to have that place of fellowship with Him, because it says that if I die with Him, if I am crucified with Him, then I will be resurrected with Him (Galatians 2:-20, II Corinthians 13:4, Colossians 2:12)! If I am buried with Him, if I go into the grave, my personal preference, my likes, my dislikes, all the things that are considered being Asbill and everything about Asbill, if they go down into the grave, then I know that Word of God, that Word that is God will resurrect!

You know, Jesus said, *No man taketh it* (his life) *from me*. Why? He said, *I have power to take it again* (John 10:18). Do you know that God gave you a Word that is eternal? It has resurrection power. The spirit of death could come upon you right now, smite you, and if you are in that place, the Word of God that is in you will speak to those dead bones, will speak to that dead flesh, will speak to that tired, old, plugged-up heart. Hallelujah, glory to God! He will speak to it! The Word of God will begin to minister. It isn't doctors. It isn't respiratory machines that they put you on and plug you into and all of those things they do. It is the Word of God that is in you that wrestles, wrestles, wrestles, wrestles, wrestles with that spirit of death even as Jacob wrestled with the angels. The Word, in the place of preeminence, the Word that is in your flesh speaks and it says, "Live, live, live, live. Live!"

John 1:13, *Which were born, not of blood, nor of the will of the flesh, nor of the will of man, but of God*. Born of the will of God. You weren't born of the will of flesh. You weren't called to a destiny of man. You were called, you were dedicated by the Word of God for an eternal purpose, for an eternal reason. The Word that lies within you that has the power of resurrection, has the power to loose the bonds and have the flesh come into a place of subjection, has the ability to bring forth life, has the power to make you something you are not, to give you the strength when you have no strength, to give you the confidence when you have no confidence. When this one deserts you and this one turns against you, and that one fails you and your expectation doesn't live up to your standards, He says that He is a friend who will never forsake you (Hebrews 13:5, Proverbs 18:24). It is a place of reality of the working God into you, wrestling with your humanity. Submit yourself, submit your place, your mind, your emotions; submit your hopes, your desires. Reach

out into the realm of eternity and grab hold of God. Pull Him down. Pull Him down into the realm of hell.

One day I said to God, "God, I would very much like to see somebody raised from the dead." He said, "You see it all the time." We don't believe it. I got in my truck. I drove out the end of the driveway at the farm and I did not see the truck. I just did not see it and I pulled right out in front of it. "I am a dead man." You know that road? There is no place to go out there. "I am dead. Dead. Dead. Dead. I am dead." I said, "Oh, God, help me!" I am still here. Then I had to pull over, put my head down on the steering wheel and say, "Oh God, I am so stupid. Forgive me of my stupidity. Let me be ever so conscious of the devil's plan for my life. I am not just a physical entity in a physical world that the physicalness of my world has a power and an authority over me. God, thank You for Your mercy that I am not dead, that I did not die out of due season." I wasn't created for a fatality. I was created for a position of eternity.

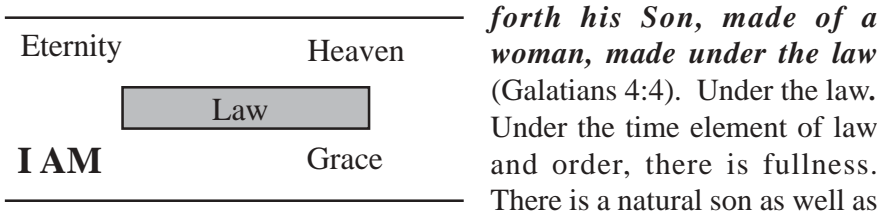

Paul said, "I press. I press. I press" (Philippians 3:14). My goodness, the man pressed. Do you know he pressed? He pressed in jail. He pressed in the desert. He pressed in the middle of the sea floating around on a piece of wood. He pressed when the snake bit him. He pressed when the whip was laid to his back. He pressed. He pressed. He pressed and then he said, ***All they which are in Asia be turned away from me*** (II Timothy 1:15). His entirety, all his labor, all his suffering in the natural perspective, as far as I am concerned was gone, was finished. But he said, "A crown is laid up for me" (II Timothy 4:8). "I will keep pushing. I will keep pushing." And you know, there in that cell in Rome waiting for the finality, he said, "I know what is waiting for me. God has shown it to me" (II Timothy 4:8). Do you think it stopped him from writing to the churches? Some of his letters were written in that dungeon by candle, knowing that soon... What did he say? ***The time of my departure is at hand*** (II Timothy 4:6). He was writing to the church. He was encouraging them with the things of God. He didn't say, "Woe is me, God. How could You put me here? Why would You do this to me after all I have done for You? And this is my reward?" Why? Because he had an eternal vision. He said he was one that was lifted up, as it were, to the third realm of heaven (II Corinthians 12:2). Do you know that you and I can be lifted up into that position where things that were unlawful to utter were spoken to him? Unlawful to utter by the mouth of flesh, of things that he penned and hid by the Spirit in all the things that he said to the churches as he laid out the gospel and the intent and the desire of God for humanity. Oh, my God! What a challenge is being

Expendability Quotient
offered to us.

You know, I watch these chickens out here. They have a big old feeder out there that holds one hundred fifty pounds of feed and there is more than one feeder, but they are all vying for the same spot. They are all wanting the same place. You know? They trample each other to death. They suffocate one another for the purpose of trying to get something in the same spot as all the rest of them. It is chicken mentality, it is the place of chickens. Chickens. Chickens are birds that don't fly. They just scabble around on the ground pecking, pecking, pecking, pecking, eating anything and everything, and some of us are behaving like chickens. We look like a bird. Maybe we sound a little bit like a bird. We've got wings. We've got feathers. We've got feet like a bird. We've got a beak like a bird. Everything looks like a bird, but we don't fly. We are earthbound. Earthbound. And we are all looking and crowding in for the same slot at the trough in this realm of the cosmos. Ah, my goodness.

Galatians 4:2, *But is under tutors and governors until the time appointed of the father.* ³*Even so we, when we were children, were in bondage under the elements of the world:* You know, in another chapter in this book Paul said, *O foolish Galatians...* (Galatians 3:1). He could just as well have said, "Oh, foolish Mahometans. Oh, foolish Iowans. Oh, foolish Nebraskans. Oh, foolish New Yorkers. Who hath bewitched you to think that what you have begun in the Spirit, you can finish in the flesh?" You can't have this world, cosmos, and this world of eternity. Come on.

Matthew was very plain. In it, Jesus said, *No man can serve two masters: for either he will hate the one, and love the other; or else he will hold to the one, and despise the other. Ye cannot serve God and mammon,* (Matthew 6:24). There is no middle of the road action. You can't straddle the realm of time and eternity and expect to have anything of God. He said, *But when the fullness of the time was come, God sent*

a spiritual son, and there is a son relationship individually as well as a son relationship in its corporate expression. Least you think I am taking it out of context, I need to read a scripture to you. It is in Corinthians. II Corinthians the fifth chapter. I believe Brother Jantzi touched on it this

morning but I want to go over toward the end of the chapter in verse 15. ***Wherefore henceforth know we no man after the flesh:*** (no woman, no boy, no child) ***yea, though we have known Christ after the flesh, yet now henceforth know we him no more.*** We are not to know Him that way anymore. Now, I am not doing away with Christ in the flesh. I am not doing away with the fact that Christ is literally coming back in that glorified body. I am not saying that, but God is saying that we are not to know Him in this dispensation of time, but we are to know Him in this dispensation of time, to come to this dispensation of timelessness. Hallelujah. This is your destiny. This is your eternity. This is the position of the Godness that God wants to give to you and me individually and corporately so that all of this position of excellence can be submitted again back to Him that is called the “**I AM.**” Because it says in the end that the Son is going to submit and subject all that has been given to Him back to the Father (I Corinthians 15:24-28). So that He might have what? Preeminence and a place of excellence with regard to all things.

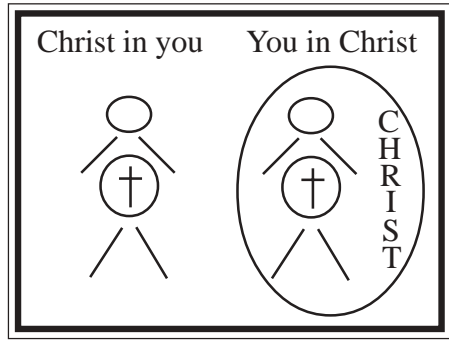

You know, we did a lot of investigation when we got into the farming thing. We had never farmed like this. We didn't know a lot about it so we were going to different places to find out information. We went to this one conference and there was this one man who had been doing this for a number of years. Evidently, as a child, he was working on a farm for his father, and when his father got to a position of age where he could no longer do what was required, he allowed the son to take the position of preeminence. But instead of having the attitude of God in Christ, he made his father subservient to his desires, his position, his place of self-worth, and then he called it family-oriented farming.

It says, ***though we have known Christ after the flesh, yet now henceforth know we him no more.*** There is a manifestation individually as well as collectively. ***Therefore if any man*** (woman or child) ***be in Christ...*** (II Corinthians 5:17). You know, I am sitting here. Right? That is Christ in me. Yet I have Christ in me. I can be happy. I can be sad. I can be frustrated. I can be victorious. I can be hot. I can be cold. Nevertheless, Christ is in me and being subjected to whatever the environment is that I want to create. It is like a house with an air conditioner. You can be comfortable or you can be uncomfortable depending upon how you set the air conditioner.

It says, ***...if any man be in Christ.*** Right? “Christ.” ***Therefore if any man be in Christ.*** This is me. What does it mean? It means that I am a part of Christ. I cannot do what I want to do. I am encapsulated by Christ. Christ is all around me. To some extent, brethren, it is almost like being put in a cage. But it is not a cage with bars, per se, because I

have to willingly submit myself to that position. Now, sometimes God puts me in positions that I go to involuntarily. **Therefore if any man be in Christ, he is a new creature.** I am not to see the “you” that is you. I am to see the “you” that is Christ, because there is a destiny that Christ has for you and I am not to look at the “you”

that is you because you are in Christ. Now, you may not be acting like Christ. And you may not be behaving in the manner that Christ would have you to behave, but that doesn't negate the fact that Christ has an objective for you and I have a responsibility to ascertain what that objective is. I also have a responsibility to recognize that position and I have a responsibility to begin to work to help you to achieve that responsibility! That is my responsibility. I am held accountable, do you hear me? I am held responsible for what conclusion that I come to with regard to your position, and it will be judged from the position of God's perspective. I may not like you. You may agitate the socks off of me. You may just vex me to the bone. But you know something? That doesn't negate, that doesn't disintegrate, that doesn't take away the fact of what Christ has for you in His thought, in His mind as an objective that has been destined with regard to you. I have every responsibility to work toward bringing you to that objective. The only time that I am released from that position is when Christ says, "Enough." That is the only time. That is the only option I have with regard to that. That is why we have to be careful with our attitudes toward people. He says, **...old things are passed away** (II Corinthians 5:17). He says he calleth those things that are not as though they were (Romans 4:17). What better opportunity do you have toward a personality that's demonstrating every aspect and every attribute that is contrary to the nature of Christ and to the nature of God, to look at that nature and command the revelation of Christ to come forth? That is what this Bible is saying we have the responsibility of doing. **...he is a new creature: old things are passed away; behold, all things are become new.** ¹⁸**And all things are of God, who hath reconciled us to himself by Jesus Christ, and hath given to us the ministry of reconciliation;** (II Corinthians 5:17). That means that I now have the responsibility of walking and talking and acting as Christ acted in the midst of His natural environment with the natural people, and I must emulate Him. I must emulate Him. Have you ever seen a child imitate

their father or their mother? Emulate them? It is not really them. It's the mother or the father, and you know they emulate it so much and they do it so often that it becomes part of their nature. And so it is that they become, as it were, a manifestation of that parent. Paul says, "You emulate me, as I emulate Christ." That's what Paul said. He said, "You follow me as I follow Christ" (I Corinthians 11:1). But he says, "You emulate me. You do as I do, and you walk as I walk, and you talk as I talk, even as Christ walks and talks within me." What a responsibility we have. And we do what? What do we do? We emulate the nature and the character of humanity with a capital H. God help us.

Verse 19, *To wit, that God was in Christ, reconciling the world unto himself...* Now, I don't know how you would interpret that. Who was the ministry of reconciliation given to? The clan of Harrison? The clan of Taylor? The clan of this or that? Absolutely not. But He hath given it to Christ. Paul said it so apropos, so right. Paul said, "I travail again little children," for what? "For Christ" (Galatians 4:19). He wasn't wanting Christ so they could go to heaven, so that they could have an escape route, so that they could find some means at the end of the day in some tolerance or some position of ease and comfort. There was a ministry of reconciliation to a dying and hell-bound world that was hell itself.

We were talking the other day. There is some woman who wrote a book that said that hell is in the bowels of the earth, 17 miles down. She wrote a book. My goodness. I don't have to go that far. I have a revelation. I don't even have to break dirt to find hell!

My ministry, my position, my place is in the midst of this darkness. You know, the land was dark because the people were darker. Hell is all around us and we have been called to save the world, and we are so busy trying to save ourselves, to secure for ourselves some sort of position, that we are squandering our inheritance. Instead of being a son, we become a servant. I don't want to be a servant if I can be a son. If I have to be a servant to be a son, then so be it. Let me serve. But it is sonship that I want. I think it is sonship that you want. I think that is why you are here. Let us strive together. Verse 19, *To wit, that God was in Christ, reconciling the world unto himself, not imputing their trespasses unto them; and hath committed unto us the word of reconciliation.* What? The word. Don't you love it? The Word. *In the beginning was the Word, and the Word was with God* (John 1:1), and in the beginning nothing was created without the Word and the Word is all that there is. The Word of God and the intent, the desire is that He desires to make us sons. God bless you. AMEN!!!!!!
