

Dear Brethren,

Greetings to all in the precious name of our Lord Jesus. Praise God.

Several years ago Brother Cecil and Sister Mavis duCille felt the strong leading to change *Sonlight Gospel Association* to *Sonlight Ministries International* to reflect the ever expanding work in the USA as well as the various nations throughout the world.

The duCilles asked a number of us brethren to share in the oversight of the work of this ministry. After the Lord called Sister Mavis home, Brother Cecil felt the necessity to add several Directors to Sonlight Ministries. He asked Br. Burt Asbill, Br. George Herrig, Br. Peter Schneider, and Br. Gary Sonmore, to serve with him on that Board. His desire was that the work of Sonlight Ministries International would continue to go forward if the Lord would ever choose to take him home. We have been serving in that capacity since that time, and by God's grace will endeavor to continue in that capacity even in the absence of Cecil and Mavis. It is with renewed vigor and awareness of the responsibility that was delegated to us that we move forward.

We are gathering together at this time seeking the Lord's perfect will as to how we must proceed with this great work God has called us to, collectively, as one people. We also wanted to send out this notification to the brethren so that any concerns regarding who will be overseeing the ministry, what would be the future of the ministry and plans for giving to the ministry, might be adequately addressed. We would like to state some specifics about what we look forward to in the near future.

Our desire is to continue the ministry of Sonlight, and to help fulfill the vision given to our brother and sister. We will continue the publication and distribution of the books, CD's, DVD's and booklets, and the Internet broadcasts. Secondly, to continue support of the gospel work throughout Africa, Europe, India, Philippines, Jamaica and various other places around the globe as God leads us. All donations to Sonlight Ministries International will be used for these purposes. The Board Members will continue to serve on a voluntary basis. Our desire is that this ministry would continue to establish the word of the Kingdom of God throughout the world. We covet your prayers and your support in this time of transition. Further questions can be emailed to us at info@smintl.org.

May God lead us and guide us according to his divine purpose that His perfect will might be accomplished in each one of us.

God Bless you, and thank you for your prayers and support,

Burt, George, Peter and Gary
